Program Set For Reedville School March 21

REEDVILLE — A program in which the entire school will participate has been announced for Friday evening, March 21, by Melvin Vandermost principal. A concert by the school band, of which F. E. Bushnell is director, will also be included.

Sunday School to Elect

Election of officers will be held at the local Sunday school this Sunday morning, according to Ralph Nordlund, superintendent.

Junior C. E. has been discontinued indefinitely as announced by William Lindsay in charge.

Enters Training

Louis J. Garfield, son of Mr. and Mrs. Louis Garfield of Reedville, a mid-shipman in the naval reserves, who has been visiting his parents here since January, left Portland Tuesday for Northwestern University, Chicago, Ill., where he will be in training for three months before receiving an officer's commission. Garfield is a graduate of Hillsboro high school class of 1936, and graduated from University of Portland last June. He spent the month of December on a cruise in Pacific waters.

Sailor on Furlough

Guests of Mr. and Mrs. D. M. Millstead for nine days were their son and daughter-in-law, Mr. and Mrs. Avery Millstead. Avery is an electrician first class on the U. S. S. Nevada, and arrived February 15 from Bremerton, Wash. This was his first visit with his parents in two years. He returned to Bremerton and sailed last week for Long Beach, Cal., where he will stay several weeks before leaving for Pearl Harbor, Hawaii. His wife will stay in Portland indefinitely.

Mrs. Peter Lambing was hostess to 11 members of her "True Blue" Sunday school class at her home March 1, following a contest held by the class during February, to stimulate Bible study. Two sides had been chosen with Mildred and Delores George as leaders, the side answering the most questions correctly, to be feted by the losers. Mildred's side won out in the contest.

Roland Frost came home from Camp Murray for the week-end.

Remodel Home

Mr. and Mrs. D. M. Millstead have remodeled and redecorated their home here. They have also installed new lighting fixtures, added three more rooms and painted the exterior of the house.

Guests of Mrs. John Farley at a card party Saturday night were Mr. and Mrs. D. E. Johns and Miss Dorothy Platt of Portland; Mr. and Mrs. Sherman Turner of Vancouver, Wash.; Mr. and Mrs. C. M. Fuqua and Robert Carroll of Reedville. Bridge and pinochle were played. The group spent Sunday at the beach.

Mrs. F. J. Saunders of Hillsboro, daughter of Mr. and Mrs. C. B. Hensley, returned to her home from Jones hospital Wednesday. She is convalescing, following a major operation.

Return From South

Mr. and Mrs. H. G. Cooper, of Echo, aunt and uncle of Mrs. Wallace Hoeffel, were guests at the Hoeffel home the past week on their return from a two weeks' vacation trip by motor which included Los Angeles and Palm Springs, Cal., and northern Mexico. They reported rain each day while in the south and that in Los Angeles the mud reached the hub of their car. They were glad to get back to Oregon, which they much prefer to the Golden State.

Mrs. Gaunt Hostess

Star Pinochle club met March 4 at the home of Mrs. Ethel Gaunt. Mrs. J. Lorentzen, retiring president, called the meeting to order and presented the new president, Mrs. Bertha Carlson. Three tables of cards were in play. Mrs. Pearl Hughson won high, Mrs. Peggy Sawtell second; Mrs. Bertha Carlson low, and Mrs. Wilma Voorhies the traveling prize. Mrs. Millie Keeney and Miss Margaret Gaunt were guests. Next meeting will be March 18 at the home of Mrs. Sawtell.

Miss Doris Rae Harrison, student at Northwestern School of Commerce in Portland, returned to her classes Monday, following several days absence due to influenza.

Guests of Mr. and Mrs. Melvin Vandermost Sunday were the latter's uncle, Wiley Chapman of Seattle, Wash., and her mother, Mrs. James Erickson of Clackamas.

Miss Marie Forbes, who has been ill with measles, is convalescing.

A large local group attended the carnival held at Rosedale Saturday night. Jonita Lorentzen played an accordion solo as a part of the program.

News Then . . . Remember When?

Just 17 years ago next Monday—the date, March 17, St. Patrick's Day, 1924—fire threatened the old Finney building which last week was torn down by a wrecking crew. Damage was held to a minimum by quick action of firemen who can be seen in the above picture playing a stream of water on the spreading upstairs blaze. Hillsboro business men received a real scare, however, some even going so far as to start moving out their wares. Remember when?

Road Projects Offer Alternate Newberg Route

Two WPA projects, improving the McCormick hill and Finegan hill county roads south of Laurel are now being pushed southward to meet a new stretch of county road in northern Yamhill county to furnish an alternate route from Hillsboro via Laurel to Newberg.

While the present river route which skirts Scholls will still remain as the favored route between the two county seats, the widened roads south of Laurel will be of service to residents in that vicinity, it is pointed out here.

The new road in Yamhill county is a two-mile section running in a northeasterly direction to the Washington county line from the Ornduff corner. Some work has already been done on the right-ofway and actual construction of the road is expected to start this spring.

Losers Dine Winners Result of Attendance

LAUREL—Ninety Sunday school people and their friends attended the supper and entertainment at the hall Thursday evening given by the losers of an attendance contest. The dining table decorations were forsythia and daffodils. W. H. McNay, as leader of the winning side, was given a seat of honor. Mrs. W. H. McNay, who was president of the Friendly Corner class, when the contest, which was sponsored by that class, was started, and F. L. Brown, recently elected president, were seated next to him. All responded to introductions with a few remarks. Little Delbert DeBoer, who was celebrating his first birthday, received special attention, and his cake with its one candle was quite popular.

Following the supper, a girls' basketball game between the local girls and a Portland team was won by the visiting team. The 4-H club made $3.20 from the sale of candy.

John Merz of Portland was the guest of his daughter, Mrs. Elbert Stevens, from Thursday until Saturday of last week.

Jean Watkins was home from school all of last week, ill with the measles. She is a sophomore at Hillsboro high.

Mr. and Mrs. Albert Roseyear and children Donald, Fern and Carol of Battle Ground, Wash., were Saturday and Sunday guests at the George Rosevear home. The visiting Rosevears were residents here before their marriage.

Myrna Buedefeldt, 15-month-old daughter of Mr. and Mrs. Dave Buedefeldt, is quite ill in the Jones hospital. She is reported as a little improved at this writing. She is suffering from after effects of influenza.

Guests at the H. Borgelt and Francis Nibler homes from Sunday until Tuesday of last week were a cousin of Nibler and of Mrs. Borgelt, Mrs. Teresa Bower of Colton, Wash., her son, Joe Bower and daughter, Mrs. Joe Webber of Portland.

Mr. and Mrs. S. E. Stoller and son James joined relatives Sunday at the home of Stoller's sister, Mrs. Frank Hanauske of Portland, for a dinner party and visit with a nephew, Don Abraham, who was on short leave from his naval duties on the Saratoga, stationed at Bremerton. His parents, Mr. and Mrs. Roy Abraham of Toledo and his grandmother, Mrs. Anna Kauffman of Woodburn, were among those who greeted him. The Abrahams are former residents of this community.

Mrs. Fred Mosner and little son Tony of Hillsboro were guests of Mrs. Rollin Meyers from Tuesday until Saturday of last week. Thelma Mosner, 6-year-old daughter, who has been in the tuberculosis sanitarium in Salem the past months, will be able to go with her mother to Walla Walla, which she plans to do in the near future. She will keep house for her father while Mr. Mosner is in a CCC camp. The Mosners are former residents here.

85,000 Trips in 1940

More than 85,000 new car buyers made trips to Detroit during 1940 to take factory delivery and save freight costs, according to figures reported to the California State Automobile association. The report stated that about 60 per cent of these buyers, or 50,000, were from the Pacific coast states. Eastern states accounted for only 10,000.

MARCH 13

Tonight I'm free
To go out to see
That masculine ballet dance:
To eat and to laugh,
To indulge in light chaff,
And to tilt a gallant lance.

'Tis Hillsboro night,
Our cares take flight,
We mingle once more on the floor
Of the Aloha Grange hall.
Come one, come all;
Our friendship we seal as of yore.

The Huber "500" club met Wednesday with Mrs. T. J. Holycross.

THE RECORD .... *Facts That Concern You* — *No. 24 of a Series*

A few weeds grow in every garden

Among the thousands of decent law-abiding beer retail establishments in America there may be a few disreputable "joints."

While it is the brewers' responsibility to brew good beer and the retailers' responsibility to sell beer under wholesome conditions, nevertheless the brewing industry is concerned about these undesirable places and wants them cleaned up.

We want them cleaned up because they endanger *your* right to enjoy good beer . . . and *our* right to make it.

We want them cleaned up because they endanger the 13,238 jobs and $11,541,550 payroll created by beer in Oregon since re-legalization. Beer contributed $617,020.86 last year in taxes in this state.

These benefits are worth preserving. You can help us, if you will, by (1) patronizing only the reputable, legal places that sell beer and by (2) reporting any law violations to the duly constituted law enforcement authorities.
