Scholls Women's Club Plans for Entertainment of County Group

SCHOLLS—Plans were perfected and committees appointed at the Tuesday meeting of the Scholls Women's club for entertaining the county federation to be held Friday at the church. Committees of five each will care for the various departments of the day's activities.

The Scholls Junior Women's club will share in the entertainment of the visitors, six of these being present at the recent meeting with the seniors. A fine program and menu are being planned and arrangements are going forward in good shape. New members since last September were honored by the club and presented with small gifts by the president, Mrs. Orr.

Miss Phelps Speaker

An interesting speaker for the day's session was Miss Grace Phelps, superintendent of Doernbecher hospital, one of the club's annual projects. Miss Phelps stated that the hospital was founded in 1926 through the will of the late Mr. Doernbecher, who helped through its first year by the American Legion, and is now under the control of the medical school. At the time, the age limit was 17, but this has now been cut to the 14th birthday. It is open to any child, and patients pay according to their financial ability. Creed and color are no bar.
