give a share in America

Santa Clause can help American defense! This poster, drawn by J. W. and W. J. Wilkinson, a father and son artist team of Baltimore, reminds Americans that they can help the defense program this Christmas by giving Defense Bonds and Stamps in addition to the usual present. Nation-wide distribution of this poster has been made, especially in the windows of 500,000 retail stores where Defense Stamps—for as low as 10 cents—are now on sale.
