Miss Brooks Bride Of Mr. C. E. Sabin

Miss Bettie Ellen Brooks, daughter of Mr. and Mrs. Lytle Brooks of Forest Grove and Mr. C. Eugene Sabin, son of Rev. and Mrs. C. P. Sabin of Forest Grove, were united in marriage last Friday evening at 8 o'clock at the Forest Grove Christian church. The bride was given in marriage by her father, and the father of the groom, Rev. Sabin, performed the ceremony.

For her marriage, the bride wore a traditional white satin gown, with a short veil falling from a "lira" she carried a white Bible and an orchid.

The maid of honor was the bride's sister, Miss Shirley Brooks, and bridesmaids were Beverly Briggs of Portland, Jane Ann Bowman of North Plains, Betty Sabin of Forest Grove.

Roger Carstensen of Junction City was best man and ushers were Virgil Shaw and Darryl Fleck of Forest Grove, Gene Robinson of Turner, and Bill Troutman of North Plains.

Mrs. Francis Arant of Forest Grove sang "I Love You Truly" and "Because." Dr. Gibson of Carlton played the wedding march. A wedding reception was held in the church basement after the ceremony for nearly 200 guests. The church was decorated with white gladioli and carnations, and white candles.

The couple spent their honeymoon at Lake Olathe, and are now at home in Hillsboro at 702 South Fifth avenue.

Mr. Sabin is the minister of the North Plains Church of Christ, and is employed by Lester Ireland & Company, Hillsboro.

Dr. Strand to Be Ninth President

OREGON STATE COLLEGE—Dr. August Leroy Strand, tonight elected president of O. S. C., who will become ninth head of the institution early in October, is a man of varied background, with both agricultural and scientific education and experience, and proved administrative ability, according to officials of the state system of higher education and of this institution who took part in the search for a new executive.

Dr. Strand comes to Oregon State after five years as president of his alma mater, Montana State college. While a native of Texas, his common, high school, and collegiate education were in Montana, although his graduate studies for both master's and doctor of philosophy degrees were at the University of Minnesota, where he specialized in entomology and zoology.

Makes Good Impression

On a recent visit to Oregon to be interviewed by the board and leaders of the college, Dr. Strand proved to be a large, affable man with a frank, straightforward manner. Both before and after his final election and acceptance those on the campus who had met and talked with him were unanimous in speaking highly of his personality and general attitude. He succeeds acting president F. A. Gilfillan, who has served since the resignation a year ago of P. L. Ballard because of ill health.

His professional experience includes service as assistant state entomologist in Montana, extension entomologist in Pennsylvania, and seven years on the staff of the University of Minnesota as instructor and assistant professor in the division of entomology and economic zoology. From there he returned to Montana as head of the department of entomology, from which position he was promoted to the presidency in 1937.

The new president is 48 years old, is married, and has three children. His oldest son, James, is attending the U. S. Naval academy at Annapolis; his daughter, Patricia, will be a senior in high school this year, and his son Roy will be in the fifth grade. He is a veteran of the first world war, having served with the rank of chief quartermaster in the U. S. Naval Air service and later as a naval aviator with the rank of ensign.

In his present position Dr. Strand has maintained close relations with

SAFeway Homemakers' Guide

NUMBER 56 ★ Hints and suggestions for box lunches ★ Safeway weekend prices now good every day ★ A shopping lesson from a girl named Nora

Looking for ways to make box lunches more interesting?

More than ever, it is imperative that the meals you serve your family be appetizing, filling, and up to nutritional standards. And that goes for a box lunch as well as any other meal of the day. In many cases (war workers on night shifts, for instance) the box lunch is the most important meal of the day. And it must not only be appetizing and nutritious, it must be planned and packed to stay attractive for hours after it's been prepared.

So don't use less of your men-planning ingenuity on box lunches—use more.

Here are a few hints and a few menus, planned and tested by the Safeway Homemakers' Bureau, that might help you in your planning.

Use the best equipment available. Be sure the tops to all jars and bottles fit perfectly. Use plenty of wax paper.

Vary the bread for sandwiches. Use the more uncommon types of bread once in a while—pumpernickel, raisin, nut bread, sesame seed, etc.

Use lots of butter. This helps keep sandwiches from drying out.

Don't include sandwiches like tomato and lettuce. They're almost certain to wilt. If he likes tomatoes, put in a whole one instead.

Navy Man Visits—

Lieutenant Leonard Gearin and his mother, Mrs. Fred Gearin of Tumalo, were Tuesday evening guests of Mr. and Mrs. Erl Carmon and family. Lt. Gearin was on the Verasha in the Coral sea battle, and was one of the few survivors of his ship. He is now on a thirty-day furlough, visiting his parents. The Carmons were next-door neighbors of them when they lived in Donald.

Westerners Have Picnic—

Washington County Westerners enjoyed a ride Sunday and then picnicked at the Boy Scout camp. Cyril Lorenz, former member and past president of the club, was a special guest. He is on furlough from Camp McCullen, Cal. Ten were in the party.

Mr. and Mrs. C. W. Cady of Bozeman, Mont., and Betty Nenzel of Seattle, Wash., visited here Sunday with Mr. and Mrs. J. R. Peppard. They stopped here on their way to San Diego, Cal., to see Waldo Cady, in the Marines. They will return here soon.

Harold Slade has been at home most of the past week because of a sore throat received while working with the combining crew on the W. G. Hare farm north of town.
