

Man Injured Shipyard Bus, Train Collide

MCKINLEY-ELMONICA—H. E. Seeger was injured last week when the train on which he was riding collided with a shipyard bus at Tualatin crossing. He and another trainman were in the upper part of the caboose and were thrown to the floor with the force of the collision and knocked out for a few moments. When they recovered consciousness, the caboose was afire. Neither could move at first, then Mr. Seeger managed to crawl over and another man, who suffered a cut on one ear and bruises. He spent the week recuperating at home. None was injured on the bus.

Last Meeting Planned

The McKinley Community club met May 4 at the home of Mrs. Carl Berger. Part of the Red Cross sewing was finished and turned in, and the garments which had not been given out previously were distributed to be finished by the next meeting of the club the first Tuesday in June. This will be the last meeting of the club, the first held at the home of the president, Mrs. Alice Wynn. At this meeting there will be a presentation of the Red Cross sewing and the members will endeavor to make a stretcher and splints for the first aid cabinet. The splints will be the last of the equipment to be placed in the cabinet and it is hoped that all members will be present to help with the so the cabinet may be completed. It was decided to purchase a new flag for the school with a part of the money made at the benefit card parties during the year as nothing has been bought so far. The teacher preferred to have the club spend the money as they saw fit. The present flag is in dilapidated condition. Mrs. Carl Berger was appointed to see about the flag. A committee was appointed to meet with the school board on Tuesday night to discuss the addition of a fund to the budget to provide another door to the schoolhouse on the opposite side as an exit in case of fire; also a hose and ladder as fire equipment. It was decided to hold a picnic at the schoolhouse for the children, the lunch to be pot-luck. School will close on May 28.
