

THE BATTLE OF THE Fourth War Loan

STARTS JANUARY 18

Be Prepared to Do Your Part

BUY! DON'T ALIBI

Sure, your taxes and living expenses are high . . . but our soldiers, sailors and marines can't fight with alibis. They've got to have guns . . . and plenty of them. You've got to buy them . . . with WAR BONDS.

It's up to you and me . . . every one of us on the home front to WIN THE BATTLE OF THE 4th WAR LOAN. So let's dig down deep for every spare dollar and put it into WAR BONDS during the Fourth War Loan.

Remember --- Americans Don't Alibi --- They Buy!

LET'S ALL BACK THE ATTACK
