Back the Invasion...

To help insure victory, let's all buy more War Bonds than we've ever bought before!

Now the chips are really down! This is the critical stage of the toughest war Americans have ever been in. Nothing can be spared...in men, in equipment, in dollars.

We've sent our men to fight...to die, if need be. We've given our men the finest fighting equipment...but every day they will need still more. So during this 5th War Loan Drive, we home-front Americans must back the attack by buying more War Bonds than we've ever bought before!

Here at Standard, employees by voluntary subscription have invested more than 10 million dollars in War Bonds since the start of the war...and to help insure victory we're daily buying more and more!
