## Fire Destroys Church Sunday; Origin Unknown

REEDVILLE — Fire of mysterious origin in the woodshed at the rear of the Reedville Community Presbyterian church, burned the church completely shortly after 4 a. m. Sunday. A sailor driving by discovered the blaze in the west end of the building and spread the alarm in the neighborhood. Both men and women rushed to the church and succeeded in saving the piano, pulpit, communion table and pews, also the U. S. Christian and Service flags, the records of the Sunday school and the framed pictures of our boys in the service. A piano in the Christian Endeavor room and an organ and other furnishings in the primary room were burned. The Reedville fire department was called and responded promptly, and succeeded in saving the school even though a brisk south wind was blowing the embers on the roof. The church was erected in 1907 when Rev. J. Robinson was pastor. The loss is partially covered by insurance.

Sunday services were held in the schoolhouse where the salvaged church equipment had been placed. Appreciation was expressed to the school board and all who assisted in saving equipment during the fire. A meeting of the church trustees will be held soon to make plans for the future.

**Without Painful Backache**  
Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
