A 6th WAR LOAN?
SAY... EVEN I CAN SEE WHY WE'VE GOT TO BACK IT TO THE LIMIT

YES, JOE—WE'VE STILL GOT A BIG WAR TO FIGHT—AND HERE'S WHY IT'S GOING TO COST MORE THAN EVER

It's simple arithmetic. More B-29 Super Fortresses that cost \$600,000 each in War Bonds. More P-47 Thunderbolts that cost \$50,000 each. More amphibious tanks! More aircraft carriers! More gasoline and oil than it took for the invasion of Europe! Over seven billion dollars a month! That's what is going to war now.

So sign up for extra War Bonds on the Payroll Plan. Welcome the Victory Volunteer when he or she calls at your home. Go to your bank or bond booth. For final Victory—for your own future security.
