MEMORIALS at Home — for those who fell in foreign lands.

Around the world, American boys are dying in the cause of freedom. Some will be lost at sea. Others will, of necessity, be buried in far distant lands.

The families of many of these boys will wish to erect a memorial on their own cemetery lot, so that even though they are honored dead in foreign fields, their valor will ever remain fresh to posterity.

Our booklet, showing suggested designs for memorials for each of the six major branches of the service, will assist you in selecting a fitting memorial for those who have made the supreme sacrifice.

IT'S EXPERIENCE THAT COUNTS

That's what makes our new Kelly Synthetics "Tops"

Just imagine—50 years of rubber experience is back of every Kelly built today. That's why Kelly synthetics are so dependable. With new materials and methods you still get the skilled workmanship and rigid inspection that made prewar Kellys so tough. Spend that new tire certificate for a Kelly—treat it right and it will do as much for you—and more.

Let's make 'em last... Tires are still scarce and will be until war needs are filled so...

• Don't Drive Above 35 • Start and Stop Easily
• Keep Air Pressures Up • See Us For Needed Service
• Keep Wheels and Brakes Adjusted

Observance of these cautions will possibly double the life of your tires whether prewar or new synthetics.
