Arlene Eslinger New Camp and Hospital Chairman

Camp and Hospital Council of the Red Cross, Columbia Basin area, met in Portland on January 24 for an all-day meeting. Mrs. E. A. Griffith attended as substitute for Mrs. Clem Eslinger, who has taken Mrs. Griffith's place with the Camp and Hospital Council as Washington county chairman. Officers were elected for 1945. Mrs. Kenneth Hall being re-elected chairman of the Columbia Basin area and Louise Lanthum, vice-chairman.

Mrs. Jennings, chairman of the Christmas program, and the Red Cross field directors expressed appreciation for the work done by the entire area. They spoke of the appreciation of the boys, many of whom did not receive another Christmas box. The Columbia Basin area, which includes Washington county, packed and delivered 14,763 boxes for the high seas armed guards, posts and hospitals. The midwest sent in about 3200 boxes.

Mrs. Dibley, regional director of the Camp and Hospital, San Francisco, reported 354,733 boxes given out on the Pacific coast.

Mrs. Dibley, Mrs. Jennings and all the field directors were very much pleased with the response received and asked to have their thanks conveyed to all who participated in this work.

A "patients' fund" has been established, and any one desiring to donate to this fund, which will be used strictly for the patients in the hospitals, may do so by contacting your county chairman.

An appeal is being made for a typewriter for patient use in navy hospital, musical instruments, carpenter's tools, radios, playing cards, games, and heavy used furniture, such as chairs and daybeds, in good condition. If you do not care to donate them, get in touch with Mrs. Eslinger, through Red Cross, and a fair price will be paid for same.

In winding up the two years' work for the Camp and Hospital, Mrs. Griffith wishes to express her thanks for the co-operation received from all over the county and asks that the same co-operation be given Mrs. Eslinger, as there is a great deal of work to be done, with the boys coming back, and the hospitals crowded to capacity.
