Accidents Help the Enemy!

The careless driver isn't on the Axis payroll . . . he works for nothing—against his country. His job is sabotaging American automobiles, tires, lives and work-hours.

If you hog the road, if you don't watch the car behind, if you don't signal properly, if you ignore warning signs, if you try to beat the light—if your mind isn't on your driving—you can cause a serious accident at any speed.

The least anyone can do to be able to pay for the consequences of the accident he causes. For the peace of mind good insurance brings, get in touch with us.

A thought for Americans as news comes of Europe's liberation

OD of our fathers, known of old . . .
Lord of our far-flung battle-line . . .
Beneath whose awful Hand we hold
Dominion over palm and pine—
Lord God of Hosts, be with us yet,
Lest we forget, lest we forget!

The tumult and the shouting dies . . .
The captains and the kings depart . . .
Still stands Thine ancient sacrifice,
An humble and a contrite heart.
Lord God of Hosts, be with us yet,
Lest we forget, lest we forget!
