Birthdays Honored At Family Dinner

BANKS—In celebration of the 78th birthday of Mrs. Ella Benefiel and of the birthday of her son, Jack Benefiel, a family dinner was enjoyed Sunday at Mrs. Ella Benefiel's home. A pot-luck dinner was served.

MM 2/c Bob Reilly returned to Bremerton Sunday after spending a 30-day leave at his home east of Banks.

Storm Blows Out
Candles, lamps and lanterns were put into service following the wind storm Tuesday of last week, as Banks had no electricity for 24 hours. Outlying districts were without electricity for several days which was a hardship on farmers with milking machines and electric pumps. Tom Bragg, dairyman who supplies Banks, was unable to deliver milk until Saturday due to no electricity to pump water and sterilize bottles.

Everett McCormack, N. S. Navy, left Tuesday to return to sea duty after a 30-day leave spent here at the home of his parents, Mr. and Mrs. George McCormack.

Mrs. Francis Upward and son Bruce, who were en route to Nebraska for a visit, returned to Banks Sunday as Mrs. Upward was ill with flu. She entered the Forest Grove General Hospital Sunday for treatment. Mrs. Upward and son were accompanied by Mr. and Mrs. D. Upward and had just arrived from Nampa, Idaho, when she became ill. Mr. and Mrs. D. Upward brought her back to Banks.

Windsor Moore Injured
Windsor Moore of Portland, formerly of Banks, was in the group of U. S. engineers that was thrown into the Columbia river from a motor boat last week. One of the party, Clarence Butts, was drowned. Another man was taken to the hospital and Mr. Moore and the fourth man received minor injuries. The other three men were members of a river sounding crew when the accident happened.

Mrs. D. P. Hopkins, Ole Hopkins, Mr. and Mrs. Bill Hopkins of Tillamook, spent December 4 with Mr. and Mrs. Charles Shipley. They came to celebrate Mr. Shipley's 82nd birthday.

Mrs. Clara Jeffers of Boise, Idaho, spent several days last week here with her cousin, Mrs. Charles Shipley, and Mr. Shipley. George Green returned to Boise with her after two weeks' visit at the Shipley home.

Mr. and Mrs. Harvey Shook were guests at the wedding of Miss Ella Eichler and Lewis Baucum in the Zion Lutheran church and in the reception in the Masonic temple December 2 in Portland.

Mr. and Mrs. Cass Wilson were week-end guests of relatives in Portland and Sunday attended the "open house" at the Willamette shipyard.

REEDVILLE—Mrs. Noreen Brochard's fifth and sixth grade pupils are collecting waste fats as a patriotic duty. They plan to use the receipts from the sales for purchasing library books for their room. Anyone having waste fats to donate should contact Donald McInnes or any fifth or sixth graders and they will call for it. The price may vary according to the most parents attending November P-T-A. meeting will also be used to purchase library books.

Banks boys' teams defeated Reedville at basketball Friday night on the local floor, with scores as follows: A squad, Banks 28, Reedville 16; B squad, Banks 19, Reedville 14. Reedville's only win was from Banks girls' team 49 to 12.

Washington county basketball league will play the following schedule: December 14, Reedville at Aloha; December 21, Corvallis at Reedville; January 25, Reedville at North Plains; March 1, Gaston at Reedville; March 8, Reedville at Aloha.

Honored at Shower
Complimenting Mrs. Eugene O'Connor (Betty Corrier) whose marriage was an event of November 12, a group of her friends gathered in the music room of the school Wednesday night for a bridal shower. Games in charge of Mrs. Harry Hampton preceded the opening and display of the numerous gifts. Refreshments were served with Mrs. Otto George and Mrs. Arvid Nordlund in charge.

Out of town guests included Mr. and Mrs. Elwin Rooker of Hillsboro, Mr. and Mrs. Vernon Meyer, and Mr. and Mrs. Harold Krahmer of Corvallis.

Wind Damages Property
Candles and out-moded kerosene lamps were in use here and dairy cows were milked by hand for lack of power for several days following the wind storm of last week. Shingles were blown from old and new buildings, and trees were uprooted, among them five black walnut trees on the road near the J. W. Connell place which have been landmarks for 75 years. Only minor loss of crops sustained from lack of refrigeration.

Mrs. Roscoe Bennett is in Jones hospital, Hillsboro, ill with pneumonia and complications. She is reported improving.

Mr. and Mrs. I. G. Bramhall, who recently sold their grocery store here to Mr. and Mrs. Louis Garfield, have purchased a residence in Portland moving there last week. Their daughters, Patricia and Beverly, students at Hillsboro high school, will stay with Mrs. Frank Moravce until school closes.

Mr. and Mrs. Eugene O'Connor have purchased the Ketchikan property a mile north of Hillsboro. They plan to move in as soon as remodeling has been completed.

Oscar Hagst spent Saturday in Salem on business.

Brother Killed
Major Roy D. Craft, who recently visited relatives here prior to leaving for New York, where he joined the editorial staff of Life magazine, was not a victim of the tragic plane crash early Saturday at Billings, Mont., as was first reported by radio and press. His twin brother, Major Ray C. Craft, U. S. Army, who was returning from Europe for a Christmas family reunion after four years in the service, was instantly killed in the plane crash. He is survived by his widow, Helen Craft of Olympia, Wash.; his father, Dale Craft, of Raymond, formerly of McCleary; all five brothers and two sisters, all of whom had planned to be present for the reunion at their old home at McCleary, Wash.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 2 pints a day. When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatism, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent uric acid passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Rock Creek home extension unit, at its meeting Friday, December 7, decided to donate the \$15 collected for gift units to hospitalized veterans through the Hillsboro post of the American Legion Auxiliary. "Chevron Supreme is on the beam," says air line captain

United Air Lines pilot measures his flying miles in millions

In 30 years of flying, United Air Lines' Captain E. Hamilton Lee has flown a distance equal to 160 trips around the earth. So, he speaks with authority when he says: "After seeing how Chevron performs in the sky, how could I help preferring it for my car?"

That makes sense, Captain Lee! Chevron Supreme Gasoline gives you skyway power because it's blended for cars from the war-born ingredients we developed for Chevron Aviation Gasoline. With these new blending agents we can actually "tailor" a gasoline that brings out your car's best performance.

CHEVRON SUPREME GASOLINE

Take it from men whose lives depend upon knowing motors, give your car more pep, more power, instant starting—switch to the highway version of a famous flying fuel. Stop at the pump that wears the Chevron sign today and say—"Give me that Supreme Gasoline."
