

Shell Makes Large Purchase of Bonds

J. T. Kovals, local manager, this week announced the purchase of \$40,000 worth of Victory bonds as Shell Oil company's share in the local Victory loan drive.

Communities throughout the western states will share in a \$15,000,000 Victory bond subscription by Shell Oil company, incorporated, Pacific coast territory.

This sum is the same as that representing bond purchases by Shell in both the sixth and seventh war loans, company officials said.

The \$15,000,000 is in addition to the individual bond quota set for Shell's 10,000 employees in the west. Purchases on regular monthly payroll deductions by employees recently passed the \$10,000,000 mark.
