Fairbanks-Morse HAMMER MILL

• Fairbanks-Morse Hammer Mills grind grain or roughage fast, and with low power cost.

Because of their large breaker plates and large screen area, most of the grain is ground first time around.

Large-diameter cylinders give the necessary hammer-tip speed at only 2400 r. p. m. This permits using a larger pulley for greater efficiency.

One of three models will match your tractor perfectly, and combine lowest fuel consumption with greatest grinding capacity.

Hilhi Wins Three Games During Week to Take First in TYV League

Hilhi's hard-fighting Spartans came from behind to win their last three TYV hoop games, trimming McMinnville, Beaverton and Forest Grove in that order to remain the league's only unbeaten team with four wins and no losses.

The Spartans edged out McMinnville, 32 to 29, on the home court last Wednesday night, and barely nosed out a battling Beaverton quintet here Friday, 29 to 27 after an uphill fight, and then traveled to Forest Grove Tuesday night to win a first-place battle from the Vikings, 38 to 30, after trailing by 10 points at halftime.

McMinnville grabbed an 8-to-5 first quarter lead against Coach Don Kirsch's men but was trailing the locals at halftime, 17 to 11. The Spartans faltered slightly in the third period, but still led by 26 to 23, and won out in a furious last quarter.

Center Bob Amacher with ten points and Guard Dave Frank with six led the way for Hilhi. McMinnville's "B" squad won the preliminary, 24 to 10.

The Beaverton contest was close throughout. The Beavers held a narrow 5-to-4 lead after eight minutes, and were still out in front by 15 to 14 at the intermission. Hilhi was trailing by 23 to 21 at the three-quarter mark but tied it up at 27 to 27 with approximately three minutes to go when Bob Amacher holed a short shot. The lanky Spartan center flicked in the winning basket with one minute to go. Several desperate Beaverton shots in the final moments missed.

Amacher again posted 10 points. Forward Dave Henning was second with six. Willie Laird's four points came on a couple of long shots in the last period to help keep Hill in the game. Beaverton took the "B" squad game, 18 to 17. Hilhi won a halftime tug-o'-war.

Off to a bad start against Forest Grove, the Spartans trailed by nine to five after eight minutes, and 21 to 11 at the 16-minute juncture. The locals rolled in 11 points in the third quarter to three for the Vikings to cut the lead to 24 to 22, and pulled away in the last period with a 16-point flurry while the losers were collecting only six.

Guard Willie Laird had the evening's best scoring performance with 16 points on seven field goals, five of them in the second half. Center Bob Amacher collected 13 points on six field goals, five of them in the last half when the Spartan offense started to roll.

Forest Grove won the "B" squad game, 31 to 24. Forward Al Humburg was high scorer of both teams with 13 points. Hillsboro won a frosh game in the afternoon, 19 to nine.

Names of Hillsboro bowlers were conspicuous on the list of top scores posted at the start of the annual state men's tournament in Portland last week-end. The locals apparently weren't awed by so entry list of 627 in the singles, 312 doubles, and 124 teams from all parts of the state.

To quote Ray Dillon, secretary of the local City league, who is one of the tourney officials, "We got more than our share of the top places."

Top performance was, of course, Bill Goetter's 668 on Saturday which was good enough for first in the class A singles. It may not stand the assault of top bowlers this week-end as scores at the state meet are said to be higher than usual. But it still stands as a fine bit of competitive bowling. The fact that Mr. Goetter had a 630 in the fall tournament in Portland is enough to prove it was no fluke.

The local assistant postmaster is not exactly a newcomer to the game. He started mowing 'em down back in 1914. We pried out of him the fact that he has twice been over 700, though not in tournament competition. One of those series was in Hillsboro. He's never had the perfect game but did hit 278 once and a couple of times has had 11 strikes in one game.

* * *

Hilhi's basketball fans heaved a big collective sigh of relief after the whistle sounded to end last Friday's Beaverton game on the home court. Our Spartans — who were only hitting on one cylinder at times — had finally garnered themselves a two-point lead after an uphill fight, and . . . well, you never can tell.

Some teams have a knack, good fortune, or the courage to win the close ones. Others don't. We can't expect to win all of those tight finishers, but the Spartans have done their share to date (we'll pause to knock on wood).

The TYV opener against Tillamook was only a five-point margin for Coach Don Kirsch's men, then followed the three point triumph over McMinnville, followed by last Friday's two-pointer over the Beavers. Phew!

As if to prepare their fans for more to come, the Spartans rolled up the following pre-season margins, four points over McMinnville, five over Vancouver, twice, four over Astoria, and one little point over The Dalles.
