## "Mosaics" Theme Of Social Circle

Social Circle of the Congregational church met Thursday at the home of Mrs. J. M. Stevens and Mrs. Chaudine and two dolls, "Great Is Thy Love" and "Great Is Thy Faith" by Bessie.

Mrs. Gierbach first explained the technique used in making mosaics, small pieces of colored material are cut and fitted together to create a picture.

Next she made a mosaic pattern in the colors of the world. Mrs. Gierbach reminded her listeners that color plays an important part in the life of every individual.

The christian mosaic is made up of yellow, red, brown, black and white, while the colors of the world are made up of many of these people have been brought back from distant places by our service boys. Many of our impressions were the result of the work done by parents and grandparents in missions or world friendship, the newer name.

Mrs. Gierbach left her listeners with the thought that the mosaic must have a black square and the question, "How can we build black into the pattern?" The first step in doing this is to educate the mind.

Test was given at 10 o'clock with Mrs. E. A. Griffith as chairman of the committee. Mrs. C. T. Voss and Mrs. John Kovaly presided.

Mrs. Honer Settlement is in charge of the children's party.
