

"Youth for Christ" Organized in County

At a combined meeting of the Hillsboro Christian Youth council and the Forest Grove Christian Youth council, it was unanimously decided to organize a Washington County "Youth for Christ" organization. Meetings are to be held once a month, alternating the meetings between Forest Grove and Hillsboro.

For some time now the Washington county groups have had the largest delegations attending the Saturday night rallies in Portland.

This organization has grown so that it now covers the whole United States and has just recently spread to our neighboring countries and across the waters and to the ends of the earth.

Dr. Torrey Johnson, international director of Y.F.C., has said:

"Christ's ordained representative on earth is the church. At various times, the church has been organized into various forms, but the church is always the church. Youth for Christ is not an end in itself but a means to an end—that end is that young people be reached for Christ, be inspired, and then unite with and be built up by the church of their choice."

The first Washington county "Youth for Christ" rally will be held in the Forest Grove high school auditorium on Sunday, February 17, at 2:30 p. m. Dr. Fred Jarvis, dynamic young preacher-magician, is scheduled as speaker.
