Hillsboro Camp Fire Girls held a pot-luck dinner at the Episcopal parish hall Wednesday evening at 6:30. It was planned to help celebrate Camp Fire Birthday Week which is March 17-23. It helped complete some of the requirements for the birthday project. Each group chose a country to represent and the decorations for the tables and at least two dishes of the menu were from the country chosen. The girls asked their mothers as their guests. Barbara Denton was toastmistress and in charge of the program which was made up of something characteristic from each country.

The Quakwot group (Mrs. Neumann Thompson) chose a Hungarian folk dance. Olga Johnson (Mrs. P. L. Patterson) sang an Italian song and told some interesting things about the country. Wetomachick group (Mrs. Lester Hewitt) sang

a Norwegian song. Mrs. I. B. Flint's group gave as their number, "Christmas in Sweden." Neumann group (Mrs. Al Schalmreich) chose Mexico and Barbara Seokos played a piano solo. Yanda group (Mrs. Bruce Nadel) chose Germany and Mary Carol Davison played a selection from Beethoven. Kawanui Ann Horizon club had as their number, "South American dance and song by Carmelita Napier and Lois Jean Jones."

First event of celebration of National Camp Fire Girls Week was attending the morning worship service at the Central Christian church, where Rev. Clifford Trout gave an inspirational address and told of Camp Fire ideals and laws.

An attractive window display of Camp Fire articles is in the J. C. Penney store window as a part of the week's celebration.

## How to Make Spring Housecleaning Easier

The room-at-a-time method of spring housecleaning leaves most of the house livable during housecleaning and it helps get rid of lots of clutter. I like to do a room a week, then the whole job isn't so tiring and seems much easier.

HERE'S HOW I DO IT:

1. Dismantle the room by removing knickknacks, pictures, draperies, curtains, window shades, rugs, and smaller pieces of furniture.

2. Move the larger pieces of furniture to the center of the floor and cover with sheets.

3. Start at the ceiling and work down, cleaning walls, woodwork, and windows in that order.

4. Clean furniture, then the floors and rugs.

5. Clean blinds, wash curtains, clean pictures and small furniture. Be sure to cover every inch of exposed space with some sort of cleaner.

6. Clean mirrors and picture glass with window cleaner. Use soap and water on knickknacks wherever possible.

7. Washable—wash the room and move to the next one. In no time the entire house is spick-and-span.
