

Catholics Set Observance Of Hundredth Anniversary

ST. PAUL—The city of St. Paul, the first community to be established in Oregon, will play host Sunday, July 25, to thousands of Catholics who will travel to nearby Champoug Park to take part in ceremonies commemorating the hundredth anniversary of the establishment of the Catholic archdiocese of this state.

The ceremonies will begin with a Solemn Pontifical Mass at 11 o'clock, celebrated by Archbishop Edward D. Howard, the fifth archbishop of the Oregon country. He will be assisted by a group of native Oregon priests, the Rev. George Campbell, pastor of the Church of the Madeleine, Portland as deacon, the Rev. Albert Carmody, St. Stephen's, Portland, as subdeacon; the Rev. John Laflay, Immaculate Heart, Portland, and Arthur Sullivan, archdeacon director of schools, Oswego, vicars of honor, the Very Rev. John Sheridan, St. John's, Oregon City, arch priest; the Rev. Thomas Brockhaus, O. S. B., and Rev. Vincent J. St. Benedict's Abbey under the direction of the Rev. Victor Rastier, O. S. B. The sermon will be delivered by the Rev. Edmund Murnane, pastor of St. Rose church, Portland.

The sermon and the ceremonies of the morning program will honor the memory of the first Archbishop of Oregon, the Most Rev. Francis Norbert Blanchet, who was appointed to that office upon the establishment of the new archdiocese July 24, 1846. Archbishop Blanchet served in that office for 35 years after having served for seven years as a missionary among the settlers and the Indians. He came to Oregon from Quebec, Canada, in 1829 to take over a church already constructed for him at St. Paul. The present church at St. Paul, 100 years old this year, was built to be his cathedral but it was never used for that purpose because the headquarters of the new archdiocese were established in Oregon City.

The afternoon program, which will start at 2 o'clock, will be conducted by the Knights of Columbus to honor the memory of Dr. John McLoughlin, the father of Oregon. State Senator C. A. McKenna will represent Governor Earl Snell at the afternoon celebration. The Rev. Frank Leipzig,

Service News Beaverton Man Wins Decoration

Col. Leland B. Shaw of Beaverton was decorated with the order of the Legion of Merit in a ceremony at 8th army headquarters in Yokohama, Japan, according to an army news release.

The award was for services in the southwest Pacific from November 29, 1944, to April 28, 1945, and from August 2, 1945, to January 19, 1946.

A native of Beaverton and a graduate of the University of Oregon law school, Col. Shaw is assigned to the G-1 section of 8th army headquarters. His wife, sons Robert, Lou and Richard, and his father, Daniel Shaw, live at Beaverton. Col. Shaw is a veteran of both the European and Pacific theaters.

He entered the army in 1942 and attended General Staff school at Ft. Leavenworth, Kan. He served with an infantry regiment of the First division during the first amphibious operation in the Sicilian invasion, was wounded and received the Purple Heart. He also holds the Bronze Star and Air Medal. Later he was transferred to the Pacific theater.

Word was received this week that Col. Shaw has been given a commission as major in the regular army. He still holds his temporary commission of full colonel.

His wife and children will sail soon to join him in Japan.

TAKE EARLY BUSINESS FLING

An inclination toward business was evidenced by those mobilization youngsters who set up a "stand" by the sidewalk to sell cherries and punch to passersby. The bulletin lists the price of cherries and the bosses, first, second and third. Reading from right, "Scottie" Marrs, Caryll Goetze, Robert and Richard Hess, Dickie McKinney, Donna and Darlene Folsom, Marrs and the two Folsom girls were customers.

OPA Extension Urged by WRAB; CIO Asks Strike

The White House made public Wednesday a declaration from the War Reconstruction Advisory board that abandonment of price control will leave the nation unprotected against a dangerous rise in prices in the interval before normal forces are working. Proper provision should be made to extend the life of OPA for a period not to exceed one year.

The CIO, United Auto Workers projected a most buyers' strike Wednesday to which they invited participation of all of America's consumers.

The house by a vote of 211 to 64 rejected the senate OPA bill and sent it to a house-senate conference committee for a new effort to write a compromise price control measure that President Truman hinted Sunday that he disliked the pending OPA legislation even more than the price control bill that he vetoed two weeks ago.

Optimism that the price control deadlock might be broken before nightfall was voiced by senate Democratic Leader Buckley Wednesday after a senate-house committee canvassed the possibilities.

Persons Return From Trip South

Mr. and Mrs. J. M. Person and daughter Barbara returned Monday night from a five weeks' visit in California and Tijuana, Mexico. They visited a week with Master Sergeant and Mrs. Robert H. Peel (Jean Person) at Riverside where they have purchased a new home. Mr. Peel is stationed at March Field.

Places visited included San Diego, Los Angeles, Pasadena, and all the principal cities of California. A place of special interest to them was Lake Arrowhead.

Weather was ideal the whole time, they report, and the first rain encountered was when they reached Oregon on the return trip. They had no trouble getting accommodations, either, and considered it a good time to make the trip.
