Farmington School Slates Program Friday

By Mrs. Edgar Rehse

FARMINGTON — Everyone in consolidated district No. 58 is invited to a Thanksgiving program at the Farmington schoolhouse at 8 o'clock Friday evening. Each family is asked to donate a pie. Pie and coffee will be sold and the proceeds used for Christmas treat for the schools.

Elaine Furby, leader of the 4-H camp cooking club, entertained a group of 15 members at her home Saturday afternoon.

Mrs. Peter Susbauer of Portland spent last week visiting her sister, Mrs. E. W. Foord.

George Lindow and sons are constructing a new barn on the T. Timbermen farm.

Pictures Shown

Farmers' Union meeting at the Laurel hall Thursday evening was well attended. The county agent, Palmer Torvend, showed some interesting pictures of strawberries, pasture grasses and seed crops in Wahington county. After the program a pot-luck luncheon was served.

Mr. and Mrs. Norman Eddy and son Keith of Toledo, Wash., are visiting at the home of her parents, Mr. and Mrs. George Lindow, and other relatives here.

Miss Muriel Burkhart of Portland spent the week-end at the Ferd Putnam home.

Carrol Farmer was enrolled at school Monday for fourth grade work. The family has moved to the Baker place.

Patricia Klein, who recently returned from Los Angeles, Cal., is visiting at the home of her parents, Mr. and Mrs. Peter Klein. She was sent to Los Angeles from Portland and her sister Margaret was sent to Denver during the polio emergency. Both girls served overseas in the army nurse corps during the war.

Mr. and Mrs. Alvin Schulmerich, Loren Rehse and Dorothy Lilligard were among the guests at the wedding anniversary party for Mr. and Mrs. Elman Schulmerich at their home Saturday evening.

October Accidents Take 32 Lives

Traffic claimed the lives of 36 people in Oregon in October, it has been announced by Secretary of State Robert S. Farrell Jr.

Despite increased traffic volume, this is a 12 per cent drop in fatalities from the same month last year. September had been slightly over five per cent less than September of 1945.

"While it's still too early to predict anything," said Farrell, "these figures do give us hope that at long last we are getting the traffic problem closer in hand."

Authorities were especially cautious in interpreting the new figures since for the first nine months of the year Oregon's fatalities had climbed 52 per cent over the 1945 level, and injuries had leaped approximately 70 per cent. Another factor dictating caution is the perennial peak of fatal wrecks in November and December. Last year Oregon wrecks killed 92 people in the last two months alone.

Program, Social Set At Shady Brook School

By Mrs. Alvah Logan

SHADY BROOK — There will be a program, movies and pie social held at the Shady Brook school Saturday night at 8 o'clock. Everyone is invited to come and bring a pie.

Due to the death of Mrs. Gertie Meek, a member of the Executive Committee of Washington Grange, the social dance which was planned to be held at Washington Grange November 30, has been called off by members of the executive committee.

By scrapping ships not slated for the active fleet, the navy could realize less than one per cent of their original cost. Instead the navy will preserve 2,200 ships in two inactive fleets for 20 years at approximately the same cost as their scrap value.

Schefflin PTA Meets Thursday

By Mrs. W. Saldzwedel

SCHEFFLIN — Parent-teacher meeting will be held Thursday (tonight) at 8 o'clock. Everyone, including those who don't have children in school, is welcome.

Birthday Honored

Mrs. Alfred Simantel entertained November 13 in honor of her husband's birthday anniversary. The evening was spent playing games. High prizes went to Rev. and Mrs. C. J. Krueger and W. Weinrich. At the close of the evening a buffet lunch was served to the 11 guests in attendance.

Zion Ladies' society met Thursday afternoon, with opening devotion led by the pastor. The membership voted to favor the Women's Missionary league sponsorship of a Lutheran home for young people attending secular colleges. The program and visiting committees made their reports. Mesdames Angevine and Boyer were guests at this meeting. Hostess for the day was Mrs. Herbert Sahnow Jr.

Members of Zion congregation made their annual donation of canned foodstuffs to Concordia academy, Portland, Sunday. Rev. Krueger hauled in over 240 quarts of canned goods. Over 200 people attended the cornerstone laying of the new dormitory at the academy Sunday. Services, due to inclement weather, were held in the gymnasium, with President Coates and Rev. Eichman in charge. The services were beautified by the singing of the academy boys' robed choir under the direction of W. Grimm. Their selections were "Awake" and "The Lord's Prayer."

Zion Walther league met Sunday evening with devotions directed by the pastor. About $12 was collected for the family which has been adopted in Europe. Curtis Sahnow reported Wheatridge seals will soon be on hand. Publications may be renewed with Jim Salmon up to December 15. Clothing will be packed next Sunday for relief of needy in Europe. W. Weinrich was accepted as a member. Delores Weight was hostess for the evening.

Sherwood News Has New Editor

C. W. (Wally) Baer, brother of Ross Baer, new owner and publisher of the Sherwood News, has assumed duties as editor of the publication.

Robert P. (Pop) Howard, editor and publisher of the News for the past several years, is remaining as foreman of the shop. The new editor arrived in Sherwood on November 7 from South Dakota. He was recently discharged from the army. He had been engaged in the advertising business immediately prior to arrival here.

Before entering the service, Baer had considerable experience in the newspaper field. For two years he was a partner in the operation of the South Dakota News Service, and following that was editor of the South Dakota Republican-Herald. The new editor is married and has one daughter, age seven. He is a member of the Masonic lodge and Congregational church.

Beaverton Has Pre-fab Firm

The prefabricated house being presented by the M. D. Hicklin company, formerly located at Oswego under the name of the Lakeside Prefabrication company, will be sold, distributed and erected by the W. R. Laidlaw company in a new 72x200-foot plant at Beaverton, it was announced this week.

Laidlaw now has eight of the houses under construction. The company expects to produce 25 houses per month at the Beaverton plant.

After foundations have been poured panels prepared by Hicklin go into place fast. Floor, roof and ceiling panels are 4x12 feet in dimensions, while wall panels are of 8-foot height, varying in length.

Harrison Club Sponsors Social

By Mrs. W. V. Hahn

HARRISON—Club members and their families enjoyed a social evening Saturday at the R. N. A. hall in Banks. The evening was spent in playing cards and dancing. Refreshments were served by the hostess committee, Mrs. Archie Jesse and Mrs. Mike Peters. Next regular business meeting will be December 5 with Mrs. William Rufener and Mrs. Joe Vandomelen as hostesses. The place of the meeting will be announced next week.

Mrs. Ernest Behrman accompanied a group of ladies from Banks church to Corvallis Friday, where they attended the Salem district annual meeting of the Women's Society of Christian Service.

Gary and Shirley Hahn spent the week-end visiting at the home of their grandparents, Mr. and Mrs. A. L. Brock, in Hillsboro.

Mr. and Mrs. Oris Maller left last Thursday for a few weeks' vacation in California. While there they expect to visit Vernon Maller, who is in the Seabees and stationed at San Diego.

Keep informed on local affairs. Read the Argus regularly. tf

Tilling with a Hundred Teams of Steel

More power on the farm means more food . . . more jobs.

If a farmer had three teams of horses twenty-five years ago he was well equipped. Now, with over two million tractors and thousands of other power producers, most farmers command the equivalent of . . . a HUNDRED TEAMS.

Wise use of their power, which can be packed into a few tons of steel, is enabling U.S. farmers to keep abreast of unprecedented food requirements. It is one of the secrets of national progress.

Steel horsepower does more than produce bigger crops with less labor. It has released, for production of human food, millions of acres once needed to feed horses and mules, and has created thousands of new jobs for town and city people who process and sell the increased harvests.

The benefits of farming with steel are the result of teamwork between farmers and industry. The farmer knows what he needs; industry knows how to supply it at a price he can afford. This teamwork must continue if America is to remain a land of abundance.

Farmers need still more power. The country needs still more food. Uninterrupted industrial production will permit industry to catch up with the pent-up need for more farm power.

American Iron and Steel Institute, 350 Fifth Avenue, New York 1, N. Y.

The Institute has printed a booklet STEEL SERVES THE FARMER. *Write for a copy and it will be sent gladly.*
