HYDRO-FLATION
A New Firestone
METHOD OF LIQUID-WEIGHTING FARM TRACTOR TIRES
Gives Better Traction SAVES YOU MONEY!

Here's why

- GREATER PULLING POWER... the extra weight gives the tire a deeper, stronger bite... provides better grip... increases pulling power.
- LONGER TIRE LIFE... better grip reduces slippage, avoids excessive tread wear... tires last longer.
- CUSHION AGAINST SHOCK... new Hydro-Flator permits filling to a new high level and still provide ample air cushion. You get advantages of the pneumatic tire including protection against tire breakage from shock and easier riding.

Come in today or, if you prefer, phone us for complete details of the Firestone Hydro-Flation Program.
