Welfare Head Talks at Rotary

Welfare problems were discussed at the Rotary club luncheon Thursday by Kenneth Peterson, county relief administrator. He said that Oregon was one of the most liberal in the nation in the matter of providing relief assistance based on need.

Many states, it was pointed out, have a definite statement as to property ownership in regard to eligibility.

Relief demands, he said, had increased since the end of the war. Through legislative act, the welfare administration is required to review all cases.

Past President J. W. Poynter made a presentation of a past president's pin to John R. Cox, who completed his term of office in June.

A joint meeting with the Forest Grove club was held at Forest Hills Wednesday evening.

Local Contractor Back from Australia

J. L. Rose of route 4, Hillsboro, returned to his home Saturday after a three and a half month's business trip to Australia. The local contractor spent the summer in Sydney, Brisbane, Rock Hampton and other Australian cities looking for building and contracting materials.

Rose said he found no materials, but that he met several veterans there who were trying to earn enough money to return to this country. He said living expenses in the down-under continent were too high for the ex-GIs to accumulate funds for boat tickets to the United States.

Bonny Slope Club Observes Birthday

BONNY SLOPE — The community held a birthday party August 9 with a program put on by the youngsters under the direction of Mrs. Maurice Hanson, program chairman. The women made a birthday cake and decorated it with eight candles and the names of the president and past presidents. Each of the honor guests made a short talk. During the pot-luck supper a collection was taken up and presented to Mr. and Mrs. L. L. Marvin, who have moved to Council, Idaho.

Registered voters of the Washington county area in Bonny Slope have been notified that their voting precinct is now number 65 and their polling place will be the Leedy Grange hall at Cedar Mill instead of Union school, previously the polling place.

To Play Deciding Game

The Cub Scouts softball team defeated Beaverton Cubs 18 to 6 on the community club grounds August 12. The two teams have won one game each and the deciding game is scheduled for Beaverton August 26.

Players Given Reward

As a reward for good ball playing and good sportsmanship, the Cub Scout players were taken to Portland August 14 to see the game between Portland and San Diego. Their good supporters, E. A. Harvey, Maurice Grove, Ora G. Bates and Henry Mitchell and their coach, Ernie Emerson, took them to the game.
