

Valley Church Cornerstone to Be Laid February 15; Committees Appointed

By Mrs. W. A. Rummel
WEST SLOPE — February 15 has been definitely set for the laying of the cornerstone of the new Valley Community Presbyterian church on Brentwood avenue and a committee of three was this week appointed by the pastor, Rev. H. A. Armistead, to arrange for appropriate exercises. On the committee are Leslie M. Finch, Allen Armistead and R. L. Ritz. Bad weather has delayed the event, which was planned for an earlier date.

The Valley Community church is organizing a young people's group which will hold its first meeting at the Gable school at 720 Summit street on the evening of this week. Miss Helen Swenson will be in charge, assisted by Fred Moore, teacher of the high school class of the Sunday school.

Normal Living Resumed
With the holidays past, people of the community are resuming normal living, visitors are returning

home to and from their places of celebration, and school rooms are once more open to young seekers at education.

Mr. and Mrs. R. C. Hanson and son Eddie returned the latter day of the week from a holiday visit with relatives in Columbus, Ohio, making the trip by motor. Planning their return trip from Columbus, the Hanson decided to take the southern route to avoid bad roads. In their surprise, they found the highway from Amarillo, Texas, to Amarillo, Texas, is a very good one because of ice, the rest of the road being in better driving condition.

Miss Jean Broadhead, daughter of Mr. and Mrs. W. J. Broadhead, returned to Van Nuys, Cal., after spending Christmas here with her parents. Miss Broadhead is a fine instructor at an airport school near Van Nuys.

VETERANS!

Heard of the Army's "Year-at-Home" policy?

If you are a veteran of any of the Armed Forces and qualify for Regular Army enlistment, you may now choose to fill a vacancy within your own Army area for the full first year of your 3-year enlistment!

During this period, you may be assigned to fill a vacancy at the Army post nearest your home. Of course, you are free to apply for special training in one of many technical schools. And you may further your own education through G.I. correspondence courses or nearby night schools.

Many veterans have found this "year at home" an excellent stepping stone to an extended Regular Army career. Why not you? It gives you plenty of time to clean up loose ends at home before moving yourself—perhaps your family, too—to wherever the Army needs you most.

Visit your nearest Army and Air Force Recruiting Station for further details.
