Honors Trophy For 1947 Won by Rotary Scouts

The Hillsboro Rotary club Boy Scout troop No. 216 was officially awarded permanent possession of the 1947 Hillsboro district attendance and honors plaque last week following the December court of honor.

Led by Scoutmaster T. G. Bronleewe, the troop won attendance honors for four consecutive months early in the year to become the only troop in the district to win the honors more than once during the year. Permanent possession of the trophy goes to the troop winning the most monthly awards during the year.

The Rotary troop won the award for the months of February to May inclusive. Other troops winning monthly awards were: Bethany Methodist church troop 222, January; Aloha Community Baptist church troop 219, June; Hillsboro Knights of Columbus troop 285, September; Cornelius Civic Improvement club troop 227, October; Hillsboro Lion club Explorer post 658, November; Hillsboro Lions club troop 261, December.

The local Lions club troop won the award last month by a scant .04 point over the Hillsboro American Legion post No. 226 in the smallest honor court held in this district during 1947. Only 10 awards were made at the court.

Jerry Henry, troop 26, won Star Scout honors, the highest award made at the court. Other awards made were:

First Class merit badges: Frank Evenson, civics, photography and pioneering; Harold Doyle, bee keeping, and Carl Caminzind, pathfinding, all of troop 216. First Class Scout: George Kircher, troop 219.

Second Class merit badges: Larry Reiling, home repairs, troop 216; Donald Klausen and Neil Butler, firemanship, both troop 261. Second Class Scout: Carl Crockett and Burke Biersdorf, both troop 226.

Mervin Brink, court of honor judge during the 1947 season, presented the awards.

The local union recently established headquarters in room 1, the Lawyers building.

Branch Bank at Wheeler Asked

Rogers for permission to establish a branch at Wheeler, it was announced by Donald B. Peterson, vice-president and manager of the Tillamook institution.

The Tillamook bank opened for business February 19, 1945, and has had exceptional growth, its deposits now past $4,000,000. Resources of the Hillsboro institution and its affiliates are reported to be about $52,000,000. Directors of the Tillamook bank include M. P. Cady, W. C. Christensen, R. R. Easter, Lester Ireland, John Naegeli, W. H. Percegoy, Peterson, J. L. Searcy and George P. Winslow. It is proposed that the new branch be called the North Tillamook county branch of the Commercial Bank of Tillamook, Peterson said.

Returning of War Dead Explained

There are many next of kin of World War II deceased who have two or more sons interred in temporary overseas cemeteries. If these next of kin elect to have final interment for their loved ones in a local community of the United States and desire to have their sons returned simultaneously, the armed services will carry out their wishes. This statement was made recently by Lt. Col. Vernon L. Lewis, chief, American Graves Registration division, Auburn, Wash.

"In most cases," Lewis stated, "where a family has suffered a double loss, their loved ones are interred in cemeteries many miles apart. Since all cemeteries are not evacuated simultaneously, their loved ones normally would not be returned together. When next of kin desire to have them returned to their community at the same time, regardless of how many thousands of miles now separate them overseas, we will make the necessary arrangements to carry out their wishes."

Next of kin of World War II deceased who are affected by this announcement are advised to write Colonel Lewis, Auburn, Wash., informing him of their detailed desires.

INFLATION HITS POLIO PATIENTS—This chart graphically depicts rising costs of polio care in the last decade and shows that hospital expenses per patient per day have more than doubled. Also depicted is the shrinking purchasing power of the dime in terms of hospital costs. The March of Dimes campaign to help fight the disease will be held January 15 to 30.

Heavy Rainfall Causes Streams To Overflow

Many county streams have overflowed their banks as a result of the heavy rains of the past few days, it was revealed Wednesday. Farmers reported some of their crops were several feet under water and in some instances washed away.

County Roadmaster Ross Hartrampf said numerous slides have blocked county roads completely or slowed up traffic considerably. It was reported Wednesday afternoon that a bridge on the Nichols road north of Portland Golf club had washed out, temporarily isolating some families.

Portions of the Brookwood road east of Hillsboro and the Stringtown road west of Gales Peak sawmill and other roads were under water. Hartrampf said he had received many reports of culverts being filled up and water running into basements.

Heaviest rainfall recorded here during the week was 1.20 inches on Tuesday.

Power lines have not been damaged, according to Arnold Jensen of the Portland General Electric company. However, he stated, if heavy winds develop while the ground is still flooded, serious trouble will be encountered.

The flood crest of a rain-swollen Willamette river swirled northward Wednesday from the stricken area around Eugene, leaving thousands of persons evacuated from their homes in the care of relief agencies. Six days of incessant rains have pounded Western Oregon, and the weather bureau for east was for continued rain Wednesday.
