Norman Goetze F.F.A. Winner

"Our Last Frontier" was the topic of Norman Goetze's speech that won first place in the Future Farmers of America speech contest presented before the Hillsboro Toastmasters club at the Tulip cafe Friday night in which David Eischen and Vernon Hulit also participated.

Goetze pointed out that "our" greed for more profit has forced us upon this our last frontier. We can accept its challenge or ignore it. But it has been proven that unless we change from our present course we are doomed to become a weak, starved nation. We have a solution to our problem, the soil conservation service, soil conservation districts and the proven methods of control. All that remains for us is to turn down the avenue of soil conservation, where eventually America can again signify a land of plenty for all, businessmen and farmers alike.

Election of officers was held with Ralph Miller as president; Fred Stowell, vice-president; Fred Joehnik, sergeant-at-arms. Office of secretary-treasurer will be announced later.

Toastmaster for the evening was J. B. Thomas, agriculture instructor at Hilhi; Lloyd Franks topic master. Installation of officers will be held at Joan's dining room on Baseline Friday at 6 p.m.

Former Bethany Woman Passes

Mrs. Katharina Stricker, 62, Portland, died Tuesday in a permanent hospital, Vancouver, Wash., of injuries received in a fall Sunday.

She lived in the Bethany district for several years and was a long-time member of Bethany Baptist church. Later she moved to her home on Bertha-Beaverton highway, moving to Portland in 1948.

Funeral services will be held at 2 p.m. Friday in Bethany Baptist church. Interment will be in Union cemetery.

Survivors include a son, Andrew Stricker, Portland; four daughters, Mrs. Thurlow Weed, Beaverton; Mrs. Arthur Christensen, Mrs. Ursula Cochran and Mrs. Zoeth Skinner, all of Portland, and six grandchildren.

Peggy Mortuary at Beaverton is in charge of arrangements.

Instruments Stolen From 6 Airplanes

Approximately \$350 worth of airplane instruments were stolen some time during the last two months from six Vultee B-15's parked at the Hillsboro airport, sheriff's deputies reported this week.

Taken were six horizon instruments, six gyro compasses, six rate of climb indicators, four altimeters and several other gauges and instruments.

Entry to the planes was believed to have been made through the rear cockpits.

Oregon City Edges Sherwood Hoop Five

SHERWOOD—Oregon City came up from behind to edge Sherwood's Bulldogs, 43 to 39, here Tuesday night in a non-league game.

Sherwood was ahead for most of the first half but the Pioneers spurred in front in the final minutes.

August Kaptur Dies
August Kaptur, 90, a resident of Shady Brook for several years, died early Tuesday in Portland. Funeral arrangements are pending.

SERVICE FOR HIGH SCHOOL SENIORS—Don Bryant, assistant director of admissions at Pacific university (left); Dean C. W. Howard, Lewis and Clark college (center) and John R.
