

Farmington Club To Meet Friday

By Mrs. Loren Rehse
FARMINGTON—The Farmington District 58 club will meet at 8 p.m. Friday, March 19, at the school house. County School Superintendent Austin Serafford will be the principal speaker.

The Farmington school is happy to report that the slide they ordered last fall has been delivered and put up last week.

Juanita and Carol Greener celebrated their tenth birthday with a party at school last Monday during the lunch hour. Their parents, Mr. and Mrs. Albert Greener, were present.

The softball team of the third, fourth and fifth grades of Farmington school lost to the Jacktown softball team, consisting of fourth, fifth and sixth grades, the score being 26 to 16. The game was last Wednesday afternoon.

Girl Softballers Practice Tuesday

Manager Lloyd Junken has called a softball turnout of his girls' team which will play under the banner of Les Alter's Service Station. Time is Tuesday, March 23, from 5:30 to 6 p.m. at the city ball park.

Junken said it will help a lot if all of the prospects are on hand so he can make preparations for ordering suits. Girls from other teams interested in practicing are invited to the session.

BUICK Used Car SPECIALS

1939 Buick Special Fordor Sedan—In top mechanical condition. Good tires, nice finish, seat covers, radio, heater and sport-lite.

Late Sports

Reports Highlight Meeting of Club

Reports by President Fred Andersen and Frank Schulmerich on the Oregon Wild Life Federation meeting in Corvallis and by Don Garrigus on the new county chapter of the Isaac Walton league were highlights of last Wednesday's meeting of Hillsboro Rod & Gun club.

What can and should be done to promote better hunting and fishing in Oregon was a subject of discussion. It was the general opinion that just a few cannot do a thing under present conditions and that everybody should get behind the local clubs and support them.

Next meeting of the organization will be Wednesday, April 14, at the Moose hall.

Deadline for Entries In Softball Play Set

Entry date for teams entering league play was set for March 29 at a meeting of Hillsboro Softball association in the chamber of commerce rooms Monday evening. Entry fee is \$15, plus \$10 forfeit money, which must accompany all entries.

Vern Hadley was elected director of the American league, replacing Walt Ruecker, who is now secretary of the local association. Next meeting date will be Monday, March 29, at the chamber of commerce rooms.

Lions Vote for Daylight Saving

Hillsboro Lions club voted 40 to 8 in favor of daylight saving time at their Wednesday noon luncheon meeting at All Saints Episcopal church.

Fred Andersen invited prospective members of the new county Isaac Walton league chapter to attend the charter presentation dinner and meeting at Forest Grove city hall next Tuesday night. Program Chairman Couch Wallace announced that Rev. Steen Whiteside will give a talk next Wednesday on the origin, history and observance of "Holy Week." President Lynn Selfridge presided over the meeting.

Richardson Speaks About Indian Leader

"Love your fellowmen, absolute truth and absolute honesty were the three principles by which Mahatma Gandhi lived," stated C. T. Richardson in his speech entitled "An Outstanding Character," before the Hillsboro Toastmasters club dinner meeting Friday. Richardson also quoted a famous speech of the Indian leader saying, "If you want to send a message to the West, it must be a message of love and a message of truth. You cannot complete a conquest by vengeance, but by love. We must continue the exchange of messages until the world is one in fact and in spirit."

John Meeke, Gordon Hansen and Keith Sussbauer will present masterpieces at the March 19 meeting. Other speakers on the program are Melvin G. Hieber, L. R. Henderson, George Erickson, Lou W. Winans.

C. E. Winckler will be topic master, E. A. Messer, toastmaster, and Robert L. Stowell, general critic.

YOU WILL HAVE

MAYFLOWER MILK IN THE HANDY NEW SQUARE BOTTLE

SEALED with a METAL CAP

Our new square bottle is topped off with a metal cap—an air-tight, tamper-proof seal which protects the pouring top from every hazard of handling.

SAVES SPACE

You can get EIGHT of our new square bottles in the same space you could put only FIVE of the old round quart; That leaves more room for other foods.

EASIER TO HANDLE

The scientifically designed square shape gives a more comfortable grip for feminine hands. It's easier to hold, easier to pour.
