Explorer Scouts	1	1	.500
Beavers	1	1	.500
Ducks	1	1	.500
CYO Cougars	1	1	.333

A basket and free throw by Wayne Clark gave the Explorer Scouts a 25-24 win over the North Plains Ducks Monday night and a share of the first half crown in the Clipper league.

As a result of their win Monday night, the Scouts went into a deadlock with the Orenco Beavers in first half standings with identical records of two games won and one lost. The Orenco Beavers last week downed the CYO Cougars to earn their top spot. No score was available on that contest.

The Scouts led at the first quarter and the half Monday night but were deadlocked by the Ducks at 18-all at the third quarter mark. Clark's basket and free throw paced a Scout comeback.

A new team in the loop which did not participate in first half action is the Huskies, composed of West Union players who attend Hilhi. Ken Harp is the manager of the new crew.

Annual Jamboree Draws Hoopsters From 20 Schools

The third annual Washington county grade school basketball jamboree was held Friday night at the St. Mary's School for Boys gym in Huber before some 500 spectators. Competing in the jamboree were 14 class B school teams and 6 class A school teams.

Officials for the games were Don Peterson of Portland and Roy Helser, Portland Beaver pitcher. Each team played one game consisting of four six-minute quarters of straight playing time with no time outs.

The tightest game of the night saw Sylvan edge West Union by a 11-10 count. Other class B tilts saw Cornelius drop Sherwood 5-1, Tualatin tip Orenco 4-3, Garden Home shade Reedville 7-4, Metzger top Gaston 5-2, and North Plains beat Raleigh 9-2. Banks rolled up the largest score of the evening in trouncing Sunset Valley 13-3.

In the class A games B. W. Barnes of Hillsboro looked impressive in nosing out Beaverton 11-8. Tigard beat Forest Grove 9-6 and St. Mary's shut out Aloha-Huber by a 6-0 count.

All available seating was taken for the junior jamboree.

Results Tuesday: McMinnville 40, Hillsboro 36; Forest Grove 50, West Linn 49; Tigard 51, Newberg 34; Beaverton 51, Oregon City 50.

Games Friday: Hillsboro at Beaverton, Forest Grove at Tigard, Newberg at Oregon City, West Linn at McMinnville.

Games Tuesday: Forest Grove at Hillsboro, West Linn at Newberg, McMinnville at Oregon City, Tigard at Beaverton.

Hillsboro's Spartans will be attempting to halt a losing streak which has reached three games when they trek to Beaverton Friday night for a league fray.

The Spartans have dropped loop tilts to Oregon City and McMinnville and must get by the Beavers in order to stay in the league race. The Beaverton crew, coached by Ted Harding, has beaten both McMinnville and Oregon City.

In order to halt the Beavers, Hilhi must stymie two performers—Chuck Hulings, fast and clever guard and Duane Rasmussen, tall center pointmaker.

Indications are that Spartan Coach Rufe Fox will stick to his previous starting lineup which has Bobby Frantz and Les Hershey at forwards, Wilbur Pearson at center, Dick Voll and Ad Rutschman at guards.

The high-flying Forest Grove Vikings appear in Hillsboro Tuesday night for a renewal of the traditional rivalry.

Officers Named at Industrial Club

By Mrs. M. R. Jack

JACKTOWN — Industrial club met last Thursday at the home of Mrs. F. J. Meier with Mrs. Herbert Schneider assisting hostess. Fourteen members and two visitors were present. Mrs. Elizabeth Mann joined the club. The club voted to furnish the health room at the new school. Delegates were elected to attend the county federation meeting in Forest Grove. The ways and means committee reported the Dimes" will be placed in the store and any donations will be appreciated. Two tables of pinochle were played and group singing was enjoyed with Carol Sell playing the piano.

Water Pipes Freeze

On account of frozen water pipes from the spring, and extreme cold weather and snow and lack of heat at the hall, no school was held last week. The children will be moved Wednesday into the new building. Not being able to get hinges for the doors, work has been held up. The ladies will serve pot-luck dinner to men Wednesday at the hall.

Mr. and Mrs. Joe Frydendall took her sister-in-law, Mrs. Fred Benefiel and children to their home at Neskowin, Wednesday.

Mrs. Jennie Frydendall returned to her home at Tule Lake, Cal., after spending a few weeks with relatives and friends here and in Portland.

Several Have Measeles

Measles appeared among the children in the district last week after being in nearby communities. Children in the Harold Anderson, Lewis Kelly, Jess Howell, Philip Cullinan, Roy Burk, Jim Hocking, Jack Congrove and Hurse families are ill.

Mr. and Mrs. Dick Bush and Madlyn have gone to Coos Bay to make their home.

The highway crew has been busy sanding the highway on account of hazardous conditions caused by the snow and ice.

Mr. and Mrs. Bruce McCann attended a turkey dinner Sunday at a friends home in Portland. The ladies attending were co-workers at the shipyard during the war.

CROP Shipment Nears To Five Hungry Nations

Oregon farmers' generous gift of foods to the world's hungry through CROP, Christian Rural Overseas program, will be divided among the peoples of five nations, with distribution scheduled to begin late this month or early in February, reports Miles C. Blickenstaff, state CROP director.

The foodstuffs collected in Oregon, wheat, dried prunes, cheese, canned and powdered milk and sugar, have been assigned to Germany, China, India and Holland by the central office of CROP in Chicago, and loading dates set for four ships in Portland.

Germany's allotment leaves Portland January 12 aboard the S. S. Magnolia State, bound for Bremen. The consignment includes 35 tons of wheat, 12 tons of dried prunes, 6682 pounds of Cheddar cheese, 61 cases of canned milk, 12 barrels of powdered milk and will be delivered to Evangelical Hilfswerk, working through the German Central committee.

The shipment to India, 25 tons of wheat, will be loaded in Portland January 13 on the Motorship Limburg. It will be delivered to Bombay, and handled there by the National Christian Council Relief committee.

The S. S. Ocean Mail will load at Portland between January 13 and January 18 for Japan and China, and will carry the Oregon CROP shipments to Yokohoma and Shanghai. The Shanghai cargo is 45 tons of wheat, which will be distributed by the American Advisory committee.

In Japan, the Oregon CROP gift of 25 tons of wheat, 12 tons of dried prunes, 62 cases of canned milk, and 12 barrels of powdered milk will be distributed among needy Japanese by LARA Licensed Agencies for Relief of Asia.

On January 24 the S. S. Edgar Luckenbach will load the last scheduled CROP shipment, 3500 pounds of sugar. It is destined for Rotterdam, Holland, to the care of the Interchurch Reconstruction committee of the Netherlands.

When all these shipments have been loaded, the Oregon CROP office will still have on hand $6,000 with which to purchase milk. It is Blickenstaff's opinion that milk purchased with this fund will be routed to Asia late this month or early in February.

Those who contributed to CROP were thanked in a Christmas day dedication program which was part of a national celebration. While food for starving people in other lands was collected throughout Oregon, most of it was gathered in 13 counties where local volunteer organizations were set up to call on farms. These were Benton, Clackamas, Gilliam, Lane, Linn, Malheur, Marion, Morrow, Polk, Tillamook, Umatilla, Union, Wasco, Washington, and Yamhill. The Washington county drive was headed by Rev. Armin Reitz, Cornelius.

Turn out unnecessary lights . . . . . between 4:30 and 6:30 p.m.

You don't have to sit in the dark—but do turn off lights you don't actually need between the hours of 4:30 and 6:30 p.m. When you leave a room, turn out the light, even if you expect to be back "in a minute." That minute may stretch to 15 minutes—or even longer. Use adequate light for reading but keep extra lamps turned off. Don't forget to turn off lights in closets, basements, and storerooms. In using electricity here is a good rule to follow: "If there's any doubt, better turn it out."

WHY CONSERVATION IS NECESSARY

Winter brings greater use of lights and heating equipment using electricity. It brings a pick-up in industrial production which means still more power use. All this reaches a maximum between 4:30 and 6:30 p.m. when thousands of housewives start preparing dinner and thousands of men and children start using water (most of it heated electrically) to clean up. The result is that the total power available from all present Northwest power sources can barely cope with the demand. A serious break down can occur unless you help.

THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to *two* great lines of Oldsmobiles. Not only the famous Futuramic "98"—now newly styled and smarter than ever—but also a brand new Futuramic "76" with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for these Futuramic cars. The new "Big Six" Engine in the "76" is more rugged and powerful than ever. And the new "98" is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135, yet actually cuts down on gas costs. And talk about performance . . . well, talk can't describe it. *You've got to drive it to believe it!* Then you'll know what we mean by Oldsmobile's "NEW THRILL!"

White sidewall tires optional at extra cost.
