Legislative News and Views  
by Representative J. O. Johnson  
During the current session of the legislature I will endeavor to keep my friends in Washington county informed as to legislation being considered. The news will be factual but the views may be my own and of course subject to change as the legislative political lineup changes.

### Last Rites Held For C. W. Kepler

Funeral services for Charles W. Kepler were held at the Pegg chapel, Beaverton Saturday. Private burial arrangements were at the Riverside Memory Mausoleum in Portland. Mr. Kepler died suddenly last Wednesday evening at his home in Beaverton.

### Mrs. Lakanen Services Held

Mrs. Hannah Lakanen, 77 of route 1, Aloha, died January 19 in Hillsboro hospital and funeral services were held Saturday afternoon at Pegg's chapel in Beaverton with Rev. J. Rinta of Portland officiating. Burial was at Crescent Grove cemetery.

### Four Dances Slated In Polio Campaign

The county chairman this week urged that all persons who have not returned their contribution cards do so as soon as possible. He again pointed out the need for increased contributions this year due to the heavy incidence of the disease during 1948, which depleted the emergency funds available.

### Mother of Local Man Dies in Fire

Archie Lockman, Hillsboro cement contractor, received word yesterday (Wednesday) that his mother was burned to death and his sister badly burned and in a hospital when fire destroyed their home at Gresham.

### Put Out Bird Feed While Snow Is On

The need for protecting bird life by putting out feed for them while there is snow on the ground, is being stressed by lovers of birds. While snow is on the ground the source of food supplies for the birds is greatly diminished unless people put it out for them.

### Republicans Choose Davis for Chairman

The county chairman this week urged that all persons who have not returned their contribution cards do so as soon as possible. He again pointed out the need for increased contributions this year due to the heavy incidence of the disease during 1948, which depleted the emergency funds available.

### "CATERPILLAR" Tractor Service

Thorough Lubrication in All Operating Positions  
The "Caterpillar" engine's lubrication system provides excellent and thorough lubrication regardless of operating position. Uphill, downhill, or sidehill. This is because the engine has Dual Oil Pumps — a main pump that takes the oil from the main oil compartment and forces it to the engine; and an auxiliary pump that keeps the main oil compartment full of oil thus enabling the tractor to operate at steep angles without harm.

Legislative News and Views
