Activities of Red Cross Listed in Annual Report

Disbursements of $19,353.58 to finance activities ranging from home service to water safety were listed last week in the annual report submitted by Mrs. W. R. Manley, executive secretary of the Washington county chapter, American Red Cross.

A total of $7016 was expended in home service, Mrs. Manley reported, with 151 families having been assisted financially during the year. The average monthly case load was 115.

No major disaster in the county was recorded but assistance was given in 31 one-family fires, according to Paul Ringle, chairman of the disaster preparedness committee. A total disbursement of $1653.75 was registered in this department. It is possible for the Red Cross to give only basic needs in disaster cases, it was pointed out. Restriction of funds will cut down the one-family fire assistance next year, it was reported.

Swimming Offered

In safety services, the chapter issued swimming certificates as follows: Beginners, 47; intermediates, 26; advanced, six; junior life saving, eight; senior life saving, 13. First aid classes were given for the city police, sheriff's deputies in Hillsboro and a class was conducted for local Portland General Electric personnel and also for the fire department in Forest Grove. One-hundred and two standard certificates were issued while nine were issued for the advanced first aid course. A junior accident prevention course was given at Verboort high school and 30 certificates were issued.

The Junior Red Cross, under the chairmanship of Mrs. Zola Morgan, listed 205 elementary rooms in the county with an enrollment of 5374 students and five high schools with an enrollment of 2255 students.

Filling of 176 gift boxes for shipment overseas was the major activity of the Junior Red Cross.

Collegians Speak

Members of the college activities group of the chapter spoke to groups concerning the blood program and others assisted with publicity during the fund campaign and blood program, according to the chairman, Mrs. Henry F. Price. Students also served as first aid and water safety instructors.

Building of a volunteer service staff to operate mobile blood units efficiently has been the major task of this department, according to Mrs. L. H. Hewitt, chairman. There were 509 hours of service given by 90 volunteers who staffed the mobile units during the county visits, she reported.

Mrs. C. D. Chamberlain, chairman of arts and skills, gives Thursdays of each week to assisting in the Veterans hospital at Marquam hill and has taught classes in plastic skills to volunteers in the Portland chapter. Crafts taught in classes in the county include knotting, metal jewelry, yarn animals, finger braiding, Austrian weaving and rake knitting.

Canteen members served coffee regularly at Barnes hospital, Vancouver, Wash., and served refreshments to blood donors during visits of the mobile units, according to Mrs. Barbara Byrne, chairman of the canteen committee.

Clothing Produced

The production and supply group produced many items of clothing and bedding, according to Mrs. Arline Eslinger, chairman.

Staff aides, under the chairmanship of Mrs. Ina Scripture, served as typists, helped prepare fund campaign materials and mimeographed reports.

Motor corps trips were made to Portland hospitals throughout the year, according to Mrs. Maude Weil, chairman.

Four bloodmobile visits were made in Washington county during April and May with 250 productive donors giving 250 pints of blood. The Hillsboro program was under the chairmanship of Mrs. O. C. Halvorson with Mrs. E. K. McCoy as recruitment chairman and Mrs. L. H. Hewitt in charge of volunteer staffs for mobile visits.

Mrs. R. S. Welsh and Mrs. G. G. Brinsley were Beaverton co-chairmen, while Mrs. John Fredericks was Tigard chairman and Mrs. William Bricker, chairman in Forest Grove.

Townies Engage Seaside Sunday In Tualatin Play

Coming games: June 19—Hillsboro at Seaside, Banks at Gaston, Sheridan at Cornelius, Forest Grove at Verboort.

Improved by new faces in the lineups, all eight teams in the Tualatin Valley league will go into action Sunday in the second game of the second half of league play.

Hillsboro hits the road to Seaside and will almost certainly find the going rough with the seashore nine. The hosts are rumored to have Ken Carpenter, OSC twirler, in the fold and he will probably go to the hill to get his home town club back to the .500 average. Carpenter was one of the top pitchers in the northern division. Walt Turner, Townie manager, has not named a starter for the local aggregation.

Leaders Face Cellar Dwellers

League leading Banks should maintain its lead with an expected win over the cellar-dwelling Gaston horsehiders. Banks has three chuckers to send to the mound and a [illegible] of new names in the lineup to strengthen the grip on the top spot with Forest Grove.

Cornelius will stay at home to host Sheridan in a tilt that will see either Tony Dooher or Duten Schmidt for Cornelius opposing Ridgeway of the visitors. The Cornelius nine should be tough with strong-armed Schmidt, who went 13 innings against Banks last Sunday, or Dooher, who has a pair of two hitters to his credit, to go to the hill.

Grovers to Face UO Twirler

Forest Grove will put its hold on first place on the line at Verboort Sunday and will have no easy time of it as the hosts will send their new hurler, Dick Waibel, to the mound. Waibel was a freshman star at the University of Oregon this spring. Either Del Jansen or Homer Davis will oppose Waibel for the Grovers.

Game time for all of the games is 2:30.
