Ashbaughs Hold Family Reunion At Hood River

By Mrs. William Jensen

LAURELWOOD—The Ashbaughs gathered at the George Ashbaugh place in Laurelwood then drove to Hood River for a family reunion and picnic dinner Sunday, June 26. Honor guests were Martha Ashbaugh, 92-year-old mother of Vallejo, Cal., who lives with her daughter and family, Mr. and Mrs. William Thompson and another sister, Mrs. Voiney Morton of Capitola, Cal. Others attending were Mr. and Mrs. Harold Ashbaugh and two girls of Eugene and the eldest brother, Ellis Ashbaugh and family of Portland. There were two brothers unable to attend.

Donald Anliker had a close call Sunday morning when he received a deep gash just above the left eye on the cut off saw while working on the log haul in Edmond Hartley's mill back of Laurelwood. He had eight stitches taken and is doing nicely.

Announcements are out of the birth of a baby girl born June 17 to Mr. and Mrs. Joel D. Trapp in Eugene. Mr. Trapp is a jeweler and owns an apartment house in Eugene. Mrs. Trapp is the former Dorothy Jorgensen. They have named the baby Linda June. She weighs six pounds five ounces.

Mrs. Merle Meyer (Delaine Jorgensen) and baby girl, Marlene Louella, are visiting her parents, Mr. and Mrs. Frank Jorgensen and Herbert in Laurelwood for a week. They arrived last Friday. Just now Mr. Meyer is on two weeks' vacation and is fishing this week in the lakes. Next week they plan to leave the baby with Grandma Jorgensen and spend their last vacation week on the coast from Cannon beach to Newport.

There was a special collection taken for African Mission work and $291.95 was received for building a new hospital in Basutoland where there are 70,000 people without doctors or nurses, and the government desires that the S.D.A. denomination build a hospital and clinic.

Milk Price Cut Order Issued

Retail milk prices for the Portland area were reduced 1 to 1½ cents a quart effective Friday, July 1, in an order issued Tuesday by Director of Agriculture E. L. Peterson.

The order setting minimum prices, which in the past have become maximum prices also, in effect cut the price to the farmer 1½ cents a quart, cut the storekeeper's margin ½ cent, increased the distributor's margin by ½ to 1 cent and reduced retail prices 1 cent on standard milk and 1½ cents on "5 per cent milk."

Minimum retail price on home-delivered 3.2 to 3.8 per cent standard milk was cut 1 cent to 19½ cents, while the wholesale price to stores was pared only ½ cent to 18 cents.

Declining producer costs, increased grade A production and lower prices for factory milk were cited by Peterson in his order reducing milk prices.

Department Answers Trio of City Calls

Three fires were answered by the local fire department this week. A call was answered at the Methodist church where a chimney fire was put out.

The Wallace Rest home turned in an alarm Tuesday reporting a chimney fire which burned out.

On Monday the country truck was called to the railroad right-of-way on Cedar street to extinguish a brush fire.

No Shopper Next Week Due to Holiday Week

The Hillsboro Shopper will not be issued next week because of the short week caused by the Fourth of July holiday. The next issue of the Shopper will be July 16.

Grand opening of the new B & T market on the corner of Main street and Second avenue is set for all day today (Thursday).

The new market opens after two months of redecorating and remodeling of the corner building. It will feature self service meat and fresh produce counters. This location was formerly occupied by the Fairway Market.

The market is owned by Ed Biddle and Miles TenEyke, who have another store at West Slope.

Caneberry Harvest In Full Operation

Alvin Elkins, local state employment commission, reported this week that the caneberry harvest is in full swing and that transportation is needed from the local office to the fields.

He also stated that many families are willing to go out to the fields but that they need housing. Growers having available quarters for these families are urged to contact Ben Scott, farm labor representative.

Parachute Jump Slated Saturday

With weather permitting and the winds not too high, Betty Kasner will make her second parachute jump at the Hillsboro airport on Saturday, sometime between 12 and 2. Betty can be remembered for the thrill she gave the several spectators who were fortunate to have seen her spectacular exhibit when she waited until 1500 feet from the ground before opening her chute. A professional could not have given a more thrilling jump.

Betty's latest achievement in the aero world was to win the 125-mile women's air race from Hillsboro to Redmond on June 12 in a Taylorcraft 65 H.P.

Although Betty lives and works in Portland she spends all her off hours at Wik's getting in flying time, so guess she would be called a "native daughter" and after we all watch her make her second jump on Saturday will probably want to add her to Hillsboro's achievement list.

Raising Pheasants Proves a Success

By Mrs. Irwin Schlegel

HARRISON—Ernest Rieben was quite successful with his China pheasant eggs, having hatched seven out of 10 eggs. The seven babies live in a wire cage with their mother, a bantam hen. The cage is moved every other day to fresh grass and unwary bugs which constitute their natural diet, and Ernest provides the fresh water and chick mash for the three-week-old fledglings. Harvey, Dean and Sally Meeuwsen are reported to have 10 pheasants from their 16 eggs received from the game commission. These children are 4-H club members and are therefore eligible for this project of the game commission which will pay $1 per bird raised to 10 weeks.

Miss Iva Lea Rosencrons of Portland was a week-end guest of her parents, Mr. and Mrs. George Rosencrons.

Mrs. Bruce Hahn and sons, Stanley and Douglas of Corvallis are visiting this week at the Stanley Hahn home. Bruce Hahn is attending summer school in Ohio.

Birthday Celebrated

Irving Pierce was honored at dinner Saturday evening on his eleventh birthday anniversary. Guests were Mr. and Mrs. Vernon Hahn, Gary and Shirley.

Mr. and Mrs. Gordon Layton, Evan, Leslie and Carol spent the week-end here with her parents, Mr. and Mrs. Claude Williams. Leslie remained this week with his grandparents. The Irwin Schlegel family spent the previous week-end with the Laytons at their home at Sweet Home. Both families visited Clear Lake on Saturday where the men caught their limit of trout. Beautiful Sahalie Falls was also viewed. The falls are in the McKenzie river a short distance below Clear Lake which is the headquarters of the McKenzie.

Mr. and Mrs. George Steves (Agnes Vanderzanden) are the parents of twins, born Saturday at Sacred Heart hospital in Spokane. The babies, named Gregory and Carol, totaled close to 8 pounds and were placed in an incubator. The Steves have another child, Gary. Mr. and Mrs. J. M. Vanderzanden of this community are the grandparents.

Local Fliers at Opening in Canada

Mr. and Mrs. John Teufel and Mr. and Mrs. Lee Hoffman, both of Hillsboro, have returned from a flying jaunt to Canada over last week-end. They joined the Sportsmen's Pilots Association on a trip for the opening of Malibu Club Lodge, which is located on the Straits of Georgia in the Princess Louisa Inlet.

Over 30 seaplanes joined in the meet and 11 of them were Seabees, the same type airplane that is owned by the Teufels and Hoffmans.

Life magazine was on hand to cover the event and also to add glamour was Brenda Marshall and Bill Holden, who arrived by plane from Hollywood. This spot can only be reached by seaplane or boat and is an easy hour-flight from Vancouver, B. C., but takes over eight hours by boat.

Malibu Lodge, although located in a remote spot, offers all the modern conveniences including an 18-hole golf course and specialty shops.

The Teufels and Hoffmans enjoyed fishing and a tour on the luxury yacht "Princess Louisa" through the straits.
