

Vacation Bible School Draws 150 Enrollment at Cedar Mill

By Mrs. Gertrude E. Pearson
CEDAR MILL.—A successful two-week session of Daily Vacation Bible school was concluded Friday evening, July 15, at the Cedar Mill Community church with a demonstration program. Children had on display various types of handicraft made during their attendance. An offering totaling \$37, taken during the evening, will be used toward purchasing a Sunday school bus.

Average daily attendance during the past week was 103 children. Total enrollment was 151. Eleven teachers and helpers volunteered services for the period. Each day a missionary story was heard. A voluntary offering daily from children totaling \$367 for last week will be contributed to leper children.

Appreciation is expressed to those who taught and provided transportation by Rev. Simon E. Forsberg, minister of the church.

Visit From Michigan
Guests from Ann Arbor, Mich., at the George Burke home last week were Mr. and Mrs. Orin Stewart. Mrs. Stewart is a cousin of Mrs. Burke. The two had a happy reunion after being parted for 20 years. Mr. Stewart is retired from the Detroit Edison company. The couple is touring the states with their next destination as Canada.

Mrs. F. E. Bradley is a guest of her granddaughter, Mrs. S. C. Chisum at Shelton, Wash.

Shower Given for Ray Sheeles; Barbara Clark is Queen Candidate

By Mrs. G. W. Kurtz
CHERRY GROVE.—When Mrs. Ray Sheeles arrived at the Seth school Friday evening supposedly for a school board meeting, she found the room filled with relatives and friends to give her a pink and blue shower. Mrs. Sheeles is a good excuse to get her to the schoolhouse. The gift table was centered with a doll decorated in pink and blue crepe paper. A special table had been arranged for Mrs. Sheeles with a doll-filled cradle labeled "Night Duty" with all night time essentials around it, the alarm clock, feeding bottle and necessary clothes. After Mrs. Sheeles displayed her many beautiful and useful gifts, Daddy Sheeles then displayed his gifts that had been arranged for him by the men folks.

The second surprise was announced by Mrs. Sheeles and Mrs. George Kurtz were presented with beautiful birthday cakes with lighted candles to remind them that this was their birthday anniversary, which both came on July 15. After singing "Happy Birthday" to the ladies, cake, coffee and punch were served by the hostesses, Mrs. Ray Cannon and Mrs. Harold Reynolds, who were assisted by the other mothers of the community. The Seth school children then put on several of their rhythm dances and singing games. The rest of the time was spent in singing. There were 36 guests to enjoy the evening.

Barbara Clark is Candidate
Miss Barbara Clark, daughter of Mr. and Mrs. Art Larson, is Cherry Grove's queen candidate for the Tualatin Valley Commercial club's jubilee to be held at Gaston July 31. All local folks are urged to give Barbara their votes. Barbara joined the other queen candidates on a float in the July Fourth parade in Hillsboro. The queen and her chaperone are to be given a trip to the Sun Valley Resort in Sun Valley, Ida.

The mill whistle blew the first alarm Friday evening just at seven o'clock and for a while there was a

great deal of excitement in Cherry Grove for the mill is the main industry in this community. Within minutes of the alarm, the Gaston Fire truck and the local men were at the mill to help put out a brush fire dangerously close to the mill. A high wind was blowing and the humidity had been at a danger point for several days, so for a short while the fire threatened not only the mill but the woods nearby. Woods crews are not allowed to work when the humidity is too low and the men understand why when they see snapping cables start fires and one log pulled across another send up a column of smoke.

HELPFUL HINTS
From Modern Interiors

That broom or mop handle that's always falling down can be made to behave if you'll just take a few minutes to either drill the end of the handle and insert a string loop or screw an eye into the end of the handle. Then they can be hung on hooks where they belong and out of the way.
