"Not yet, Mom! Pop's just showing me how!"

### Portland Hearing Slated for Filbert Growers in Area

A reminder to filbert growers in this area that a public hearing is scheduled for Monday in the Oregon Journal building auditorium, 800 SW Front street, Portland, at 8:30 a. m. to consider a proposed marketing agreement and order was issued this week by Palmer S. Torvond, county agent.

Any filbert grower who failed to receive a copy of the proposed agreement by mail may obtain one at the county ACA office located at Hillsboro, or from the office of the county agent of the agricultural extension service, Torvond said. All growers are urged to attend the public hearing, where any interested person may offer testimony in support of, or in opposition to, the proposed program.

At the hearing, consideration will be given, among other things, to establishing under the proposed agreement and order, pack specifications relating to grade and size requirements for unshelled filberts. Minimum standards of quality designed to prevent culls and off-grade filberts from being marketed as unshelled nuts, will also be considered. Under the proposed agreement, all filberts marketed in unshelled form would be required to meet pack specifications and minimum standards. Federal-state inspection would be required. Marketable supply of merchantable unshelled filberts would be adjusted to demand each season, by establishing a saleable percentage applicable to each handler's transaction. Surplus filberts would be shelled or exported.

The proposed program would be administered by a seven-man board selected by the secretary of agriculture from a list of nominees submitted by the industry, and would serve for a one-year term.

To obtain funds for operating the program, handlers would be assessed at the rate of two-tenths of a cent for each pound of unshelled filberts marketed, Torvond reported.

for a tournament average of 500. The "outstanding batter's" trophy, awarded by the First National Bank of Albany, was presented to Jerry LeBlanc, outfielder for the MacKenzie. Jerry got eight hits in 17 trips to the plate, including two triples, for a .470 average.

Winners of individual awards were selected by sports writers and tournament officials on the basis of individual performance and official scoring figures.

Ray Hyde, ace Byerly pitcher, received the "outstanding pitcher" award, and Gene Montague, n. m. of the Portland club, was named for the "outstanding outfielder's" award.

### Enlarged Fair Premium Books Available Now

Offering premiums of slightly more than \$5000, premium books for the annual Washington county fair, which opens August 31, were in the mails this week and available to the public, according to Leon Davis, fair manager.

The book is mailed each year to persons who exhibited at the fair during the previous year, and copies can be obtained by writing to the manager of the fair at 227 F. Washington st., Hillsboro. Copies also can be obtained at this address, by calling in person, or at either the Hillsboro Argus or Forest Grove News Times.

Members of the various garden clubs of the county can obtain copies from their president or display committees.

The book this year has been changed in style and shape from previous years and brought up to the standards of the fair, a book as produced for the various fairs of the Pacific coast.

Besides the premium lists, pictures of the fair board and county exhibit, the book contains a brief history of the fair, a program, and advertising by the various business men supporting the fair.

Rites for Former Mail Carrier Set Here Saturday

Funeral services will be conducted Saturday at Donelson & Sewell chapel at 2 p. m. for Ernest W. Plapp, 54, who died Tuesday at Veterans' hospital, Vancouver, Wash., after an extended illness. He had been a mail carrier in Hillsboro for 20 years before his illness.

He was a veteran of World War I and was active in veteran affairs. He was a member of local Masonic lodge, and a member of Veterans of Foreign Wars post. Interment will be in Fir Lawn cemetery.

Survivors include the widow, Daisy M. Plapp, 54, Hillsboro; two sons, Ernest W. Jr. and Charles F. Plapp, both of Hillsboro; a daughter, Jessie, Hillsboro; four brothers, all of Forest Grove.

Charlene Rice of Hillsboro, as soloist, will sing "Star Dust" and "Blue Moon" during the hour-long aquatic.

### District Softball Tourney Slated Here Next Week

The district softball tournament will take over the city ball park here Monday, Wednesday and Friday nights of next week, according to Russell Hines of Forest Grove, district commissioner.

Four Washington county teams will compete in the double elimination affair. Eligible to enter are Hillsboro's American and National leagues, Oregon league and Forest Grove. Spots have been enched already by the Forest Grove entry in Claway loop play and Blooming of the local National circuit. The second Hillsboro entry will be either Ruecker's bowl or Farm Home & Auto, whichever is the top team in the tourney now in progress.

As host, Hillsboro will furnish the playing field, balls will be supplied by the umpires and will also take care of transportation expenses of the winning team for the state tournament. Hines announced.

More common courtesy, says the Portland traffic and transportation commission, would go a long way toward stopping traffic accidents.

### Traffic Tips

Pedestrians are often tempted to do what a man in Chicago did recently. When a motorist came to a stop in the middle of the crosswalk, blocking his path, the walker coolly opened the rear door of the car, walked through the car and out the other door, leaving both of them open behind him. The traffic and transportation commission requests motorists to drive courteously. Don't begrudge the walker his little strip of right of way.

Home on Vacation—Robert Hurd, student at Washington State college, Pullman, arrived Tuesday for a month's vacation with his parents, Mr. and Mrs. E. L. Hurd.

## Here's WHY SAFEWAY QUOTES 2 PRICES ON BEEF CUTS

At this time of year, range or "grass-fed" beef is more plentiful. Grain fed beef is scarce. As our customers know, Safeway buys only U. S. graded beef, and as a rule, just the top grades (U. S. GOOD or better)—but U. S. government graders will not stamp range fed beef higher than U. S. COMMERCIAL, which is one grade lower than U. S. GOOD. Safeway must therefore buy some U. S. COMMERCIAL as well as U. S. GOOD grade of beef to insure an adequate supply. So—and here's the important part to you—while this condition lasts, Safeway will quote prices for both grades, on beef steaks, rib roasts, rump roasts, and other hind quarter cuts. We will

charge the usual fair price for U. S. GOOD cuts, and a lower money-saving price for U. S. COMMERCIAL cuts. Thus, at Safeway, this situation can really help you save money on good eating meat, because U. S. COMMERCIAL is good eating meat. Perhaps it is a little less tender and not as well-marbled with fat as U. S. GOOD, but it is more lean and equally fine in flavor. Regardless of the cut or grade, you can be sure that all Safeway meat carries Safeway's famous money-back guarantee of satisfaction and that all cuts are trimmed waste free. Compare Safeway Quality!
