**ANOTHER PIONEER GONE.**—Hon. Jesse Looney, an old resident of Oregon, having crossed the Plains in 1843, and settled in what is now Marion county, died on Thursday morning, March 25th, in the 69th year of his age, at Salem, where he had gone for medical treatment. He has lived the past twenty-six years on his farm, twelve miles from this city, on the stage road leading to Salem. He took a prominent part in the organization of the Territory of Oregon, serving as a member of the provisional legislature. He crossed the Plains in company with Hon. Jesse Applegate, Daniel Waldo and others of lesser note. He was born in one of the Southern States, probably Georgia, but was a true and noble patriot, and held that an American's first duty and obedience was to the "Old Flag." He was therefore a firm and consistent Union man; a kind and affectionate husband and father; an accommodating and agreeable neighbor; a Christian gentleman, who has passed peacefully from earth, leaving numerous relatives and friends to mourn the loss of his presence among them. He leaves a wife and ten children, five boys and five girls, living; three children, boys, passed into the spirit land before their father.

**NARROW ESCAPE.**—From Mr. John Crouch, of Jefferson, we learn that Hon. Isaac Cox, of Josephine, met with an accident on last Tuesday, near David Waldo's, some six miles this side of Salem, that came near terminating the mortal career of one of the notable "fourteen." The horse on which he was riding fell down, unseating Mr. Cox from the saddle, but leaving one foot in or through the stirrup. As soon as the horse regained his legs he (the horse) commenced running and kicking, dragging Mr. Cox some two or three hundred yards, when a lady came running out of a house by the roadside, and in attempting to stop the animal, only succeeded in turning him back on his tracks. When the horse had made about the same distance on the "home stretch," fortunately for Mr. Cox, the boot pulled off, or the foot made its escape from the boot and the stirrup at one and the same time, and Mr. Cox was left to us yet awhile, but badly bruised, torn, soiled, a contused ankle, &c. Mr. Crouch happening along with a buggy, kindly took Mr. Cox in and conveyed him to Salem, where his bruises will receive the proper medical attention. By this accident Josephine came near losing one of its brightest lights.

**ODD FELLOWS CELEBRATION.**—The different lodges of Odd Fellows throughout this State will assemble at Salem, on Monday, the 26th of April, to celebrate the semi-centennial anniversary of the order in the United States. Past Grand Representative, Hon. Nathan Porter, has accepted an invitation to, and will deliver, the oration on the occasion. The Odd Fellows organ, *New Age*, of San Francisco, congratulates the order here on their success in securing the services of so distinguished, talented and eloquent an Odd Fellow as Brother Porter. The celebration on the 26th will, it is promised, be the grandest affair of the kind ever held in the State. A steamer will be secured for the special purpose of carrying all those who wish to attend from this city. It is understood that the festivities will be wound up with a ball in the evening. From all accounts it will be a time of general jollarity.

**"PUTTING ON AIRS."**—Our friend, Jo. Webber, Esq., we notice, has been painting, cleaning and generally adding to the neat and tasty appearance of his barber shop on First street. Jo. has an eye to beauty as well as "biz."

## Excursion for the Benefit of Albany Fire Company, on Tuesday Next.

With the usual liberality of the P. T. Company toward all institutions of public utility, A. A. McCully, President of the Company, has kindly placed at the disposal of the Fire Company of this city, free of charge, the fine passenger steamer, *Albany*, for the double purpose of giving all those who desire to aid the Fire Company in their efforts to fully equip and provide themselves with the proper means for the successful extinguishment of fires, to do so, and at the same time get the full value of the money contributed, in the way of an excursion up the Willamette river. Agreeable to arrangements made, the steamer *Albany* will leave Beach & Monteith's wharf in this city at 7 o'clock on next Tuesday morning (23d), and proceed as far up the river as the stage of water will permit, returning in the evening. The Albany Brass Band have kindly volunteered their services on the occasion. Participants can provide their own lunch, or get dinner on the boat—a basket dinner will probably be the order. As the object to which the receipts of the occasion will be devoted is a laudable one, and as the price of tickets is so low that all will be able to procure them, it is anticipated that "everybody and his wife" will go. Tickets 50 cents each, to be obtained of Messrs. D. M. Thompson, Jos. Nixon, G. H. Bartges, A. N. Arnold or at this office. Members of the Fire Company are requested to appear in full uniform. Don't fail to be on hand at the time, as the boat will start precisely at 7 o'clock.

**CIRCUIT COURT.**—Convened on Monday, Judge Boise presiding. Among the legal fraternity present, we noticed R. Williams, of Salem; Benj. Hayden, of Eola; John Burnett, A. J. Thayer, R. S. Strahn, S. Simpson, F. A. Chenoweth, of Corvallis; N. H. Cranor, J. C. Powell, E. F. Russell, J. J. Whitney, Joseph Hannon, James Elkins, L. Flinn, N. B. Humphrey, S. A. Johns, Geo. R. Helm, J. Q. Thornton, of Albany.

**COPSON.**—Ans. Marshall was driving a hack to which were attached four horses, the other day, between this city and Brownsville, when the hack went into a deep hole in the road with a sudden jerk that threw him out of the hack into the mud. Ans. fell head first, but the earth was soft and he found no difficulty in penetrating it to his shoulders. The team being now free of restraint, ran half a mile in good style, but, fortunately, done no damage to themselves or hack.

**HERMAN, THE WIZARD.**—Prof. Hermann gave one of his amusing performances in Parrish Hall on Tuesday night. The Professor is favorably known on this coast, and generally succeeds in pleasing his audiences. We are sorry that he was not greeted by a more numerous attendance.

**PERSONAL.**—Mr. J. C. Fleece, of Amity, made us a brief visit the first of the week. He thinks of coming back.

Mr. J. B. Sprenger starts for White Pine on the next ocean steamer. May prosperity attend him.

Mr. Gillett, business manager of the *Portland Oregonian*, called on us yesterday. He reports everything lovely and flourishing.

**LEBANON WATER DITCH.**—The Lebanon Water Ditch and Manufacturing Company this morning advertise for bids for digging their proposed ditch. The contract will be let in sections or as a whole. Bids for the work should be directed to W. S. Elkins, Lebanon, Oregon.

The editor of the *ALBANY REGISTER* acknowledges the receipt of a safe—a cupboard. This, in connection with two or three old cook stoves, looks a "little" like going to housekeeping. Coll.—*Corvallis Gazette*.

It do! Well, about the 1st "proximo" you can put on your duster, Billy, and come down and see us. No cards—but don't mention it.

**WANTED.**—By a card in this issue, it will be seen that Messrs. Beach & Monteith, of the Steam Flouring Mill, want 200,000 pounds of good wool, for which they will pay the highest market price.

**NOTICE.**—James Miller gives notice to Robert Constable that he has made an entry of land in the U. S. Land Office at Oregon City, which is in conflict with his pre-emption filing, and that he will be allowed thirty days from this date in which to take an appeal.

**DOUBTED.**—It is reported that one of "Ones Fellers" is so fond of his "weakness" that he has rubbed all the skin off of his nose kissing her shadow on the wall. We don't nose's this is true.

## National Lincoln Monument Association.

The loyal people of the United States of all classes, feeling a love and veneration for the great patriot, noble character and unequalled services of ABRAHAM LINCOLN, late President of the United States, who fell by the hand of a foul assassin, a martyr to the great cause of Human Rights, and desiring to express their appreciation of his many virtues and sublime character in a manner worthy of the American name, and commemorate in the most fitting way the great charter of emancipation and Liberty in our land, Congress, in order to make effectual such a desire passed, a law which was approved by the President, March 30th, 1867, incorporating the "National Lincoln Monument Association." The intent and purpose of this Association is to collect funds and make all necessary plans and arrangements to erect a suitable monument to that noblest and purest of patriots and statesmen, somewhere within the grounds in the City of Washington. This Association has agents in every city, town and hamlet in the United States, whose duty and pleasure it is to take contributions, from the smallest to the greatest, and forward the same to the Treasurer of the Association, Hon. F. E. Spinner, at Washington City. It is expected every true and loyal citizen of the United States will wish to contribute something towards the erection of a lasting monument to commemorate the devotion to Country and Liberty that inspired the great soul of our martyred President, and caused him to live and act for his country and the noblest ends and highest good of humanity. Every true man and woman whose earnest co-operation at home during the great struggle for national life and the principles of civil liberty, gave strength to our cause; every soldier and sailor who fought, on land or on sea, to uphold and maintain the "Old Flag," will esteem it a pleasure, an honor, to be numbered among the contributors to this monument. Knowing this to be the case, this Association was formed, agencies distributed throughout the country, thus giving each a chance to contribute his or her mite to this noble and patriotic object, so that when the work shall be completed it will be eminently national, a source of pride and glory to our country and an honor to our people.

Our worthy Postmaster, E. A. Freeland, is agent for the Association in this city, and will take charge of any contributions made by our citizens. The names of those subscribing are written in a book furnished by the Association. These books are to be bound and deposited in the monument, when completed. Let all who can, contribute immediately, so that the work may be promptly done.

**MEDICAL CARD.**—See the card of Dr. C. H. Rafferty in this morning's paper. The Doctor's recommendations are of the first character, and we commend him to all those needing medical attendance.

**BRIEF MENTION.**—Cold, raw winds have prevailed the greater part of the week, with intermittent showers.

Considerable sickness is reported in different portions of the county.

Hank Mendenhall is fixing up his meat market in fine style.

Senders, Sternberg & Co have received their new goods. They have the "Velocepede hat"—the latest thing out.

It is supposed that Circuit Court will adjourn the present week.

The sound of the hammer can be heard in various portions of the city, denoting improvements.

Fire Engine-house roofed in "out of the wet," and will soon be ready for "dedication" ceremonies.

The wet weather of the present week swelled our paper to unusual dimensions. Business during the week an improvement over the preceding one.

Base ball game Saturday at 5 P. M., if the weather is not too stormy. Come out.

**BORN.**—On the 19th inst., to the wife of Samuel Fleener, a daughter. Mrs. F. is upwards of fifty years of age.

**OVER NIAGARA.**—E. R. Hatch, of Connecticut, for the sum of \$20,000, offers to ride over the falls of Niagara any day next summer, as he believes the descent to be possible, easy and safe.

**DIED.**  
Near Albany, March 15th, 1869, Ethel E., only child of C. B. and M. A. King, aged five months and fifteen days.

She's not dead I ob, do not tell us That beneath the sod she lies; Glad in robes of deathless beauty Walks she now in Paradise.

Angels clap the baby fingers In a loving close embrace, And a heavenly radiance lingers On sweet Ethel's seraphic face.
