☞ A steady printer, one that can do press work, wanted at this office.

COLFAX AND PARTY.—On Saturday last, as previously announced, Vice President Colfax, accompanied by Messrs. Bross and Bowles, the first one of the proprietors of the Chicago *Tribune*, and the latter editor of the Springfield *Republican*—and five ladies, arrived in this city *en route* for California. Immediately after the party had dismounted at the Overland Hotel, President Colfax was seized by Mr. Philip Baltimore, one of Linn county's oldest settlers, and an old acquaintance, and hurried off to the Court House, from the top or observatory of which a splendid view of Albany Prairie is obtainable. Messrs. Bross and Bowles "pinted" the same way, and the party at the Court House was soon augmented by numbers of our leading citizens of both parties, who came to pay their respects to the man whom the voice of the people has elevated to the second highest office in this nation, and to extend to him and those accompanying him a cordial welcome to this the fairest and loveliest portion of Oregon. A few fleeting but pleasant moments were enjoyed by those present, our visitors passing many flattering encomiums on this portion of Oregon and the Pacific coast generally, and all were sorry when the coach containing the ladies of the party, drove in front of the building, preparatory to a continuance of the journey. Before getting into the coach, the Vice President thanked the citizens for the kind welcome so unostentatiously extended, and expressed the hope that he would soon have the pleasure of again visiting Oregon and making a more prolonged stay, a wish in which all heartily joined. With three rousing cheers for Colfax, the party were whirled away on their journey.

AID FOR THE ORPHANS.—A number of ladies of this city have formed themselves into a Soliciting Committee, their object being to solicit donations in behalf of the Oregon Children's Aid Society, of Salem. This Society will erect a pavilion on the grounds of the State Agricultural Society, at Salem, during the continuance of the Fair, in which meals will be served and all articles donated will be exposed for sale. The proceeds of the above institution are to be devoted to procuring food and clothing for the orphan children left at the Orphan's Home, a large building recently erected for that purpose near Salem, on ground donated by the late Mrs. Parrish. The ladies constituting said committee in this county are, Mrs. J. C. Mendenhall, Vice President; Mrs. Retta Marshall, Secretary; Mrs. E. A. Freeland, Corresponding Secretary; Mrs. Thos. Monteith, Mrs. E. A. Stanard, Albany, and Miss J. A. Elkins and Mrs. L. Ralston, of Lebanon. We are requested to say to all those who wish to give in aid of this praiseworthy and benevolent enterprise, that contributions of fancy articles for the fair, or articles for the table, can be sent to Messrs. Blain & Young's store, or to Mr. E. A. Freeland, at the Post Office, or to either of the members of the Committee. As the object for which these contributions are solicited is a noble one, it is to be hoped that our citizens will respond liberally with provisions suitable for the table, and fancy articles that the ladies can convert into cash at their fair. Any and all appeals for benevolent enterprises hitherto to our people, have been met with a spirit of liberality that has done them credit, and we hope that the appeal of the ladies Soliciting Committee at this time, may be met in the same liberal manner. "It is better to give than to receive."

For a bran new tea-pot, of Japan tin, we tender our thanks to Mr. Tompkins, of the new stove store.

BREVITIES.—Velocipede School opened on Thursday, in Parish Hall.

The "mist" opened on the 16th.

On the 16th a part of our new material arrived—expect the balance on next ocean steamer.

The extra premiums offered by the Agricultural Association are attracting a good deal of attention, especially the premium offered for the best rifle shooting.

Wheat is down again to 55 and 60 cents per bushel.

On Bellinger's first attempt to ride a velocipede, he made a regular "spread-eagle" of himself.

Mr. Sam'l Young has our thanks for favors.

We intend issuing our paper, present size, daily during the week of the County Fair.

For finely executed jobwork, at the very lowest cash rates, call at the REGISTER office.

In the last three weeks, beef has gone up two cents per pound.

There is at present no lard in this market.

An insect of the genus *pulex* is very annoying about these times.

We may look for the resumption of navigation, should the rain continue.

COUNTY FAIR.—Only one more week intervenes before the opening of our County Fair. Persons who have or intend having articles for exhibition on that occasion, should see to it that all arrangements are made so that all entries can be made on the first day of the Fair. Every citizen of the county is more or less interested in the success of these fairs. They are a sure index of the enterprise and industry of a community. If the exhibitions of stock, grain, vegetables, agricultural implements, etc., etc., are large and complete at the County Fair, the citizens of such county are at once set down as an industrious, thrifty and progressive people, thus gaining a high reputation abroad, and inviting immigration among them. The officers of the Society are making every effort in the way of fixing up the grounds for the convenience of exhibitors, and the offer of an extra amount of premiums, to induce a large and successful show of articles, and if our farmers and citizens generally exhibit a proportionate zeal in aiding them in carrying out their designs, the coming Fair will be made more productive of good than any yet projected by the Society. Let every one bring something, that every department may be filled. Have all ready for the Fair, and be there early.

PERSONAL.—L. E. Blain, Esq., of the mercantile firm of Blain & Young, arrived home from San Francisco on the 15th. Their new stock is arriving.

P. C. Harper, of Harper & Co., started overland for 'Frisco on the 16th. He goes for a new stock of dry goods.

John Barrows, Esq., who but recently left this city *en route* for the East, has been commissioned by Gov. George L. Woods to represent Oregon in the National Convention to be held at St. Louis, Missouri, October 21st, 1869. This Conven is for the purpose of inaugurating steps looking to the removal of the capital of the United States from Washington City.

SHORT HANDED. — Sickness of our Jour., the impossibility of obtaining any other help, has compelled us to double duty this week and last. We have acted as devil, pressman, compositor, collector and editor, during the week, with what success we leave the reader to judge. However, it has been a rough week on the "old man," and if 'tis possible, he will have no more of sich in his.

ACCIDENT.—A little son of John Hackleman, while playing among some sacks of wheat, broke one of his legs. Exactly how the accident occurred our informant did not know, but believed one or more sacks fell on the limb, causing the fracture.

COLORS.—Read the card of Mr. J. A. Winter, when you will have a better idea of the colors you should wear when you wish a good likeness. Mr. Winter will give you as good a picture as any artist in his line on this coast.

DON'T BUY.—Preston Morris warns everybody not to buy certain described promissory notes in the possession of Geo. A. Edes, of Salem, to which his name is attached, as he will not pay 'em.

CHEAP.—Persons wishing a good sewing machine at from $18 to $25, are referred to an advertisement under "new to-day" for particulars.

The Velocipede School has been running but two days, yet some of our boys show considerable proficiency.

MARRIED.

At J. Needham's, Sept. 16, 1869, by Rev. H. C. Jenkins, Mr. J. C. Looney to Miss Ruth Needham, all of Linn county, Oregon.

The Manager of this Gigantic Establishment, encouraged by the very extensive and liberal patronage with which his efforts for a number of years have been rewarded, and with the view of presenting to the public of the Pacific coast an

Exhibition of Surpassing Excellence, has secured the highest Arenic Talent in the World!

From all parts of Europe and America, and in addition, has secured the greatest sensation of the age—a den of performing

AFRICAN LIONS!

Together with their intrepid keeper, MONS. LAMBERT, THE LION CONQUEROR, who will, at each representation, enter the den, and by the exercise of mysterious power, perform a number of

Thrilling, Daring Feats!

With these Monarchs of the Forests.

A New Gold Metal.

THE
Gold Metal Watches!
NOW BEING INTRODUCED BY
C. E. COLLINS & CO.,
629 Washington street, San Francisco,

Surpass anything yet made in the way of an imitation Gold Watch. They wear well and keep good time.

The Ladies' Watches cost $8, $10 and $15 each; the Gentlemens' cost $15 and $20 each. Chains, from $3 to $6 each.

RECOMMENDATIONS:

SAN FRANCISCO, May 12, 1869.

This is to certify that I have carried one of the small size Gold Metal Watches which I got of C. E. Collins & Co., and I find that it runs as well, and keeps as good time as any watch I ever carried, and I can therefore recommend them. I am engaged on Sacramento steamer Chrysopolis.

C. A. COLBY.

I am engineer on the San Jose Railroad; I have been caraying one of C. E. Collins & Co.'s Watches for about one year, and I can safely say it is the *very best* watch for time, that I have ever seen.

GEO. CORNWALL,
Engineer on the San Jose Railroad.

TOANO, May 20, 1869.

Messrs. C. E. Collins & Co.—I wish to know on what terms you will send five or six watches to one address. Several of the men in this machine shop are highly delighted at the watch I got of you; I am very much pleased with it; it gives satisfaction. Hoping to hear from you soon, I remain yours.

R. B. PATTON,
Clerk, Toano, C. P. R. R.

For List of Prices and description of Goods, send directly to us. Can be sent by express, to be paid for on delivery.

C. E. COLLINS & CO.,
629 Washington street, San Francisco.

P. S.—Where six Watches of the above are ordered at one time, we will send one extra, free of all charge. We also deal in the finest Gold and Silver Watches, watchmaker's and jeweler's tools and materials, at the very lowest possible rates.

The new Gold Metal Watches now being introduced by C. E. Collins & Co., of San Francisco, seem to be just the thing for those desiring a cheap and at the same time good-looking time keeper. One of the young lady compositors in our office has one of the cheapest kind advertised—$8—which runs well, keeps good time, looks well, and seems to fulfill all the requirements of a high-priced watch. The chain sent with this watch is of exquisite design and high finish. See their advertisement in another column.—*Alpine Miner.*

WATCHES.—We have received one of the new Gold Metal Watches from C. E. Collins & Co., of San Francisco. It is neatly finished, hunting case, keeps good time and is, without doubt, the best watch for the price that can be purchased in San Francisco.—*La Porte Union.*

WHAT NEXT?—Cheaper than silver—looking and wearing like gold—neither plated or galvanized—are the new Gold Metal Watches we saw last week at our friend Collins'. If we had not a gold watch—which we have to pay each year $2 to "Uncle Sam" for the privilege of wearing—we certainly would have a Gold Metal Watch.—*Spectator.* jy45tf
