THE HON. JAS. E. SANFORD, Insurance Commissioner of Massachusetts, in his Report for 1868, speaking of Dividends in Life Insurance Companies, says: "The amount of such guarantees come to be made, and such expectations created, the sooner Life Insurance will come to rest on its true basis, and men insure their lives for security, and not for dividends. The best and the most popular companies will then be those that promise only equity, and render all that they promise, in making loans from the Company or from other parties."

By the Stock plan the full cash effect of the premium is immediately secured to the insured, the Company taking all the risk. By the Mutual plan, the full value in insurance of the premium paid, is not secured to the policy-holder, who takes a portion of the risk himself.

RECOMMENDATIONS: SAN FRANCISCO, May 12, 1889. This is to certify that I have carried one of the small size Gold Metal Watches which I got of C. E. Collins & Co., and I find that it runs as well, and keeps as good time as any watch I ever carried, and I can therefore recommend them.

TOANS, May 20, 1889. Messrs. C. E. Collins & Co.—I wish to know on what terms you will send five or six watches to an address. Several of the men in this watch shop are highly delighted at the watch I got of you; I am very much pleased with it; it gives satisfaction. Hoping to hear from you soon, I remain yours, Clerk, Toano, C. P. R. R.

FOR List of Prices and description of Goods, send directly to us. Can be sent by express, to be paid for on delivery.

C. E. COLLINS & CO., 629 Washington Street, San Francisco. One of the young lady compositors in our office has one of the cheapest kind advertised—\$8—which runs well, keeps good time, looks well, and seems to fulfill all the requirements of a high-priced watch. The chain set with this watch is of exquisite design and high finish. See their advertisement in another column.—Alpine Miner.

WHAT NEXT?—Cheaper than silver-looking and wearing like gold—either plated or gilded—are the new Gold Metal Watches we saw last week at our friend Collins'. If we had not a gold watch—which we have to pay each year \$2 to "Uncle Sam" for the privilege of wearing—we certainly would have a Gold Metal Watch.—Spectator.
