Commend us to such a community.

"THE RIVER OF THE WEST"-Is the title of the new work, written by Mrs. Francis Fuller Victor, the talented Oregon authoress. It is a work replete with valuable information regarding the resources of our State, as well as its general history. It contains a full and most exciting account of the life, services and adventures of the renowned hunter and trapper, Jo. Meek, fir.t U. S. Marshal of Oregon. It is written in Mrs. Victor's most interesting style, and is so full of exciting and interesting narrative that it Adjoining the Telegraph Office, Portland, Oregon. will undoubtedly reach a large sale. Mr. E. B. Purdom is agent for the sale of this work in Linn county.

GONE EAST .- Rev. T. S. Kendall, an old pioneer of Linn county, started East on the Moses Taylor, which left Portland on the 5th instant, to attend the General Assembly of the United Presbyterian Church, which meets at Pittsburg, (Pa.) on the 20th inst., as a delegate from Oregon. He will be absent some months, and will visit his old home in Tennessee and other Southern States. He will also visit the spot in Alabama where he was mobbed many years ago for his known anti-slavery principles. Rev. Mr. Kendall came to Oregon in 1846-7, therefore has been a resident of our State more than twenty-three years. He is one of the ablest men in Oregon. If there is anything in intense individuality, he possesses it in a remarkable degree.

POLITICAL.-Gen. Jasper Johnson made a speech at the Court House in this city on Wednesday night, the principal portion of which was devoted to an appeal to our citizens not to extend the suffrage to Chinamen. He said that the Republican and Democratic parties were a unit on this question-that only the radicals of both parties were in favor of it. He denied that the National Democracy of the Union were in favor of repudiation; declared that Wilson was a better Democrat to-day than Slater, because he was in favor of paying the public debt according to contract, and advised Democrats to vote for Wilson and against the Herald, as a rebuke for uttering such undemocratic doctrine as repudiation. He said that no honest Democrat could vote for men who stood on a repudiation

[feb 12'70-23] Oregon. Albany, ESSICK'S CLIMAX KNITTER!

N presenting the claims of this NEW KNIT-TING MACHINE to popular favor, we aim at no more than a brief and candid statement of its actual merfts. We confidently claim that the CLIMAX KNITTER is superior to all other ma-

hines in the follwing respects: 1. Simplicity of construction and operation. 2. Completeness and excellence of work. . Convenience of shape, size and weight o

4. Durability of machine. Rapidity of work.

It is so simple in its construction and in its workings, that less than half the time is required to learn to knit on it than on others. With it the children of the household can do all the knitting. It is made entirely of iron and steel. A man's sock can be made in thirty minutes. It makes the regular old old-fashioned knitting needle stitch or loop, (with several others if desired); turns the heel, making it of as good shape as by hand, without any sewing; narrows or widens, hand, without any sewing; narrows or widens, at the pleasure of the operator, and makes a per-fect toe. Any article that can be knit by hand,

can be manufactured on this machine.

Persons who wish to see the machine in operation, are requested to call on the agent in this city.
