It is related that thirty years ago a keg of butter was let down in a well in Pennsylvania to cool. It was taken out recently and the butter found to be sweet.

A large number of stock buyers are reported in the valley south of us, and already a large number of sheep have been purchased for the Montana, California and Nevada markets.

.On the 19th, at Boundbrook (N. J. soveral dwellings, including the railroad depot, were struck by lightning, and questions of tariff and the administration affairs of this State. Robt. Merrifield killed and his son badly injured thereby.

The Bedrock Democrat tells of a chunk of gold, found in the drift dirt of a claim on Cow Creek, about eighteen miles from overrun and prove the destruction of this Eldorado, valued at \$812. Those drifters were in luck.

WONDERFUL .- On the 20th two freight trains collided at full speed on the Rhode Island Railroad, and strange to say, although both engines and twenty-one cars were demolished, causing a loss of \$100,-000, nobody was hurt.
