Could ill afford to lose— The way to make in one short day A hundred pair of shoes. From every quarter to the sight

There ran a thousand fellows.

Tanners, cobblers, boot-men, shee-men. Jolly leather sellers, All redolent of beer and smoke! And cobbler's wax and hides;

Each fellow pays his thirty pence, And calls it cheap besides. Silencal the cobbler enters, And casts around his eyes;

Then curls his lip—the rogue!—then frowns
And then looks wondrons wise.
"My friends," he says, "'tis simple quite,

The plan I do propose; And every one of you, I think, Might learn it if you chose. A good sharp knife is all you need, In carrying out my plan; So easy is it, none can fail, Let him be child or man. To make a hundred pair of shoes: Just go back to your shops,
 And take a hundred pair of boots

And cut off all the tops.

REPUBLICAN PLATFORM.

The Union Republican party of Oregon in Convention, makes this declaration of its principles and policy:

1st. Unfaltering devotion to the Union, first,

last, and forever; and unwavering fidelity to the Constitution and its amendments, and to the laws of our National Legislature.

2d. We wholly approve the principals and policy of the administration of President Grant, as carrying into practical application the principles for which we have successfully striven. And we particularly commend those points in his Inaugural Address, wherein he declares—"let it be understood that no repudiator of one farthing of our public debt will be trusted in public places, and it will go far towards strengthening a credit which ought to be the best in the world," and "I would protect the law abiding citizen, whether of native of our National Legislature.

BY SECURING ONE OF THE GAY" PLOWS. Manufactured and sold for the very low price of \$65 and \$75.

THE simplicity and practicability of this new Plow commends it favorably to the special notice of every farmer. It possesses a decided superiority over all other plows now in use. The wheels are four feet in diameter, and run on the unplowed land. Its entire construction is in no way complicated. The plow is managed in every manner with ease, and requires only two levers to be used in making any alteration. The superiority of the "Gay" Plow will be clearly shown by the following certificate:

We, the undersigned, citizens of Linn county, Oregon, having purchased and used upon our farms the "Gay" Plow, hereby certify that the same has given us entire satisfaction. Its facility for adjusting to suit the depth of furrow without movi g from the sent, is simple and easy. We like the plow for its draught, because the same is brought to bear directly upon the plow-beam instead of the carriage; also, recause it is strong and darable, all except the wood-work being constructed of wrought from—no cat tings are used. The wheels running upon the solid land is an ad-The wheels running upon the solid land is an advantage over other gang-plows, in striking off land and in plowing, not having to make the necessary changes in the machinery, and the seat is always level, not thr wing the driver forward or sideways as in other plows.
