to such a reckless extent, that both gento the county offices, had Republicans as the family of one great brotherhood in voted the straight ticket, making no an interchange of good feeling and feltrailes, we could have elected the County lowship on the 4th of July, 1870. Will Clerk and Judge, through the help of you do it? disaffected Democrats, with ease. Demo-From it we may learn this lesson-when- given of the time and place. ever you commence the " scratching ' and "trading off" business, you thor oughly demoralize the party and the enemy gains on the whole ticket. Of the two evils "trading" is the most to be deprecated. "Scratch," if you will, but never trade. We were in hopes that a different result would follow in Linn county; we did hope to elect a portion of our county ticket, and greatly reduce the Democratic majorty on the State ticket, but-" if you have tears to shed, prepare to shed them now." Selah !

W. H. McFARLAND & Co.-We present this morning the new advertisement of W. H. McFarland & Co., successors to O. P. Tompkins & Co., dealers in stoves, tinware, force and lift pumps, iron and lead pipes, etc. They have as full and complete an assortment of wares as can be found north of San Francisco, and they will sell them as reasonably. Mr. Harvey, one of the partners, has been in the business for years past, and is probably the best posted mun in the business on the coast. Being perfectly conversant with the markets of San Francisco. gives him an advantage in purchasing stock that enables the house to sell the same line of goods lower than others. Beside all this Mr. H. is an accommothe new stock just received.

Lost -On Thursday of last week, Judge Frum, who lives out on Sandridge, while on his way home from this city, lost a memorandum book, which contained some valuable papers, among the rest ent conference meeting: a note for \$70 on Milt. Westfall. If the person finding the book will return it to Judge Frum, he will be suitably reward-

> FOR WALLA WALLA .- Mrs. Maggie Alexander and daughter, and her mother, Mrs. Robinson, the first formerly of this city but late of Corvallis, left this city on Wednesday's boat, en route for Walla Walla, W. T., where they go to try the should prove beneficial they will remain an indefinite period; if otherwise, their stay may be of short duration. Their many friends wish them a safe and pleasant journey.

STRAWBERRIES .- Some of the largest and most tempting cultivated strawberries we have seen in our market this season, were brought in by Mr. John Millard. Some of them were so large that they had to be sliced up like a watermellon. A good many of them would fill a half bushel measure. We defy the world to beat us in size and flavor of our strawberries; even the wild ones attain such size that a large man can make a meal off of them !

BACK .- Mr. A. E. Ellis, of Browns ville, who left us some two months since to look for a better place to reside east of the mountains, has returned, and reports than ever before known at this season of that Linn county holds out greater in- the year. ducements to the poor man than any dating, pleasant gentleman, with whom it place he can find in the eastern portion is a pleasure to deal. Drop in and see of the State. Linn county is a pretty good place to " hang up " in after all.

> CAMPMEETING .- The Methodist denomination of this city are canvassing the matter of holding a campmeeting near the city before the close of the pres-

> HEALTH .- We hear of very little sickness, and believe the general health throughout the county to be excellent.

FESTIVAL.—The ladies connected with | ELECTION DAY -- Passed off quietly. the M. E. Church projected a Festival, So far as we have heard, there was but on Friday night of last week, which one fight in the the county, which was a proved very successful. As there were regular "ring fight," where the two men ELRINS & SON, proved very successful. As there were regular "ring fight," where the two men exhausted. The profits arising from this day was intensely hot, and the principle series of lunches amounted to between cussin, we heard was in regard to the which the undertaking was carried hours awaiting his turn to vote. If the matter, they will receive the thanks of CANE .- For one of the neatest and the voters of Oregon. > CLIMAX KNITTER! In presenting the claims of this NEW KNIT-TING MACHINE to popular favor, we aim at no more than a brief and candid statement of its actual merits. We confidently claim that the CLIMAX KNITTER is superior to all other ma-

 Simplicity of construction and operation.
 Completeness and excellence of work.
 Convenience of shape, size and weight of nachine.
4. Durability of machine.
5. Rapidity of work.
6. Cheapness. It is so simple in its construction and in its workings, that less than half the time is required to learn to knit on it than on others. With it the children of the household cen do all the knitting. It is made entirely of iron and steel. A man's sock can be made in thirty minutes. It makes the regular old old-fashioned knitting needle stitch or loop, (with several others if desired); turns the heel, making it of as good shape as by hand, without any sewing; narrows or widens, at the pleasure of the operator, and makes a perfect toe. Any article that can be knit by hand, can be manufactured on this machine.

can be manufactured on this machine.

Persons who wish to see the machine in operation, are requested to call on the agent in this city.
