SLANDER REFUTED!

How Jones, or "any other man" voted in 1862 is a question of very little moment to most peo-ple. Whether Irvine or Richardson, both of whom are said to have filled the office of Sheriff acceptably in the past, shall exercise the functions acceptably in the past, shall exercise the functions for the ensuing two years, concerns us but little; but the question in which everybody has an abiding personal interest i:—Where shall we buy our goods? Where can we get the greatest return for our money? Who brought prices down to the lowest living rates and kept them there? Ask these questions of any one who has taken the trouble to investigate, and you are certain to get this reply—At Wheeler's store, in Brownsville. Wheeler is the man who is entitled to your encouragement and support. You who are wise couragement and support.
