MILLS FOR INDIAN RESERVATION .-From the Bulletin we learn that Indian Superintendent Meacham has forwarded a saw mill and a flouring mill to the Klamath Indian Reservation, Mr. Meacham makes a most attentive and energetic Indian Superintendent.

PROCLAMATION. - Gov. Woods has issued his proclamation, declaring the following to have been the result of the election held in Oregon, June 6, 1870 :

Member of Congress—Jas. H. Slater. Secretary of State—Stephen F. Chadwick. Treasurer—L. Fleischner. Printer—T. Patterson. Justices of the Supreme Court—2d District, A. Thayer; 3d do., R. P. Boise; 5th do., L. L.

District Attorneys—1st District, H. K. Hanna; 2d, C. W. Fitch; 3d, N. L. Butler; 4th, A. C. Gibbs; 5th, W. B. Laswell. Robberies have become so common in Portland that they create no excitement. Highwaymen fearlessly stop parties going objections. The parties investing in these

to and from the White House (only six wild lands undoubtedly do so for the miles from Portland), and make them "shell out" with impunity, in some cases merely to turn the lands over to indusshooting them just to get their hands in. trious settlers who, in becoming pur-Portland is a fast city. The recent steamboat race between the

Lee and Natchez, betwee New Orleans and Cairo, created intense excitement throughout the Mississippi valley. The Lee won the race in the unprecedented time of three days and one hour, the Natchez coming one hour and twelve minutes behind, having lost thirty-six minuutes by breaking a pump. Considering soon be made public, and thinks it is not the rapid current of the Father of Waters, a visionary scheme, but an eminently this performance is wonderful.

The English press is pleasing itself with the fancy that the English national debt isn't such a great bugbear after all that's full of items : A son of Jos. S. Lane. been said about it. At the winding up aged 14 was thrown from a wagon loaded of 1869, it amounted to \$3.741.380.915, with oats, on the 14th, the wheels of or a billion and a quarter more than our which passed over his back just below the own. But what tickles the John Bulls, shoulder blade. His recovery was thought is the fact that in thirteen years the pub- to be problematical. A meeting in rela--something less than \$27,000,000 a held in Roseburg on the 26th of next an immense army on her Austrian frontyear, about as much as we are paying in month. A fishery has been established two and a half months!

From the accounts that neach us, the recent fire at Constantinople was the most terrible and destructive of the century .. More than \$40,000,000 worth of property was destroyed. One thousand dead bodies had been recovered, and fourteen hundred persons still remain unaccounted for. Seven fire engines and their entire companies perished in the flames they were endeavoring to subdue. The strangest fact of all is that this most terrible fire raged but a few hours. It spread with such rapidity that buildings were swept away in an instant, and with an explosion like that of a cannon.

LATEST NEWS .- It is denied that Congress has been convened in extra session by President Grant. No change will be who knew him. To add to the melanmade in the Prussian mission.

have left to join the Prussian forces. It is claimed that the French have five ably soon arrive.

days the start of the Prussian forces. Trouble is anticipated between France and England The feeling against France in London is intense. England can mus- respectively, Willamette, Oregon and ter 300,000 troops, and there is great activity in the pavy.

Rumor that Russia would participate the markets.

WAR .- Seizing upon a flimsy pretext, the Emperor of the French has declared war upon Prussis, and the tramp of his armed legions is already heard throughout Europe. Prussia, a nation of thorrich and united, fully prepared for all the exigencies of bloody war," coolly takes up the gauntlet so suddenly flung down, and for the ensuing term; viz: John McKee, quietly and fearlessly awaits the arbitrament of the sword. The advantage of aumbers is on the side of France, but to counterbalance this, France will be the aggressive party. It is hard to predict at present the duration of the war. It may be short and bloody, and the strug- county, was terribly mangled, on Lost gle may be protracted for years. Eventually all the great powers may be drawn into the fight, and millions of lives and billions of property destroyed. It may he even possible that the United States, ere the struggle terminates, will be called upon to take a hand in the quarrel.

The Ohio Legislature has just enacta very stringent law against the sale of
dangerous kerosene. The standard is
fixed at 110 Fahr, for the flashing test,
and the sale of an oil which flashes below
this temperature is severely punished.
In case a death results from oil flashing
below 110 Fahr, the seller is to be
punished for manulaughter.
