ALARMING MORTALITY!

While the past three years, six of the local

the first four during the low rate war of 1867
and 1868—the last two during the past few weeks.

Six out of Twelve

in less than three years, is an alarming record of
mortality, and should suggest to the Insuring Pub-
lic, of any kind, of our factories on Lyon
street, (on the river bank), next below Markham's
warehouse.

LEADING AMERICAN
Fire Insurance Co.

Their contracts are endorsed by cash assets
exceeding

have no superiors and but few equals in the Union.
Their risks are small, carefully selected, and well-
backed throughout the entire United States; their

tion, but are based on actual experience, and
are as low as good insurance can be furnished at.

justed, and paid in gold coin without delay or
discount. Their agents, located at all points of
importance, have authority to issue policies direct,
