GOOD NEWS TO OREGON VOLUNTEERS. -On the 14th of last month, the Senate bill to pay two companies of Oregon volteers, before the House Committee on Military Affairs, was reported back from that Committee with the recommendation us. Why not stop the weekly? We that the bill pass. Following is the text have not the slightest use for it, as it of the bill:

The bill provides that the Act of Congress entitled "An Act to authorize the Secratary of War to settle and adjust the expenses of the Rogue river Indian war," approved July 17, 1854, shall be extend-ed to the two companies of Oregon volun-teers commanded by Captains Jesse Walk-er and Nathan Olney, called into service to suppress Indian hostilities in Oregon in 1854.

The bill calls for the payment of the claims known as the "Hathaway vouchers," says the Bulletin, which have been mistaid and lost sight of for years, amounting to about forty thousand dol' lars. Without much debate the bill passed, and it is altogether probable has recoived the signature of President Grant

erethis. On the same day Mr. Nagley further added.

I have been instructed by the Commit-L have been instructed by the Commit-tee on Military Affairs to report back, with a recommendation rbat the same do pass, a bill (H. R. No. 2,040) to amend an Act approved March 2, 1851, entitled, "An Act to provide for the payment of the axpenses incurred by the Territories of Oregon and Washington for the sup-gression of Indian hostilities therein for the years 1855 and 1856." years 1855 and 1856."

This looks as though Uncle Samuel inunded to pay the whole Oregon war debt of 1855 and 1856, and will be good news to those who have waited so long for their

No. 554 Brondway, New York City.

Very truly, HENRY SCHROEDER,

It affords me much pleaure to give you, in these few lines, a very sinceretestimonial for the Piano few lines, a very sinceretestimonial for the Piano Fortes of your insuufacture. We have now used the "Patent Arian Pianes" in our Conservatories for a year, and have had a fair opportunity of test-ing their durability during that time. The Pianos ing their durability during that time. The Pianos have been played upon almost constantly, from morning till might, and a Pinno must indeed be a good one when it will bear such constant use with-out showing signs of defection. As for removing in time, it out rivals any Piano known to me. Their peculiar sweetness of tone in the treble, (as compared to other Pianos with the ordinary metal agrafic arrangement) is so striking that I have had pupils remark, while taking their lessons, that although they had at home what they sup-posed to be one of the best makes of Pianos, still the treble was very wirey t nod compared with the he treble was very wirey to ned compared with the "ARION." What makes them still more desirable is their
