TURF INTELLIGENCE .- The New York

Register,

Herald of January 13th says: John Hunter, the celebrated turfman, has wagered \$1,000 against \$2,000 with L. W. Jerome that he will produce a horse at the next July meeting at Saratoga Spings, which will run one mile, carrying the full weight for the age in one minute and forty seconds. Last year "Judge Curtis" made the best mile ever made at the July meeting in Saratoga, making it in 1.43½, carrying his fall weight. Mr. Hunter is said to be trying to secure "Kingfisher," the colt which took the Saratoga cup last year for his owner, Mr. Swigert, and was afterwards purchased by Mr. Ralmont. by Mr. Belmont.

One of the French prisoners in Madge-burg has invented a machine for the manufacture of brick which is said to beat anything known herebefore of that character. He has sold his invention to a German firm, who have paid him over \$10,000 for it. The inventor was for-merly a day laborer in France, but after being taken as prisoner to Madgeburg was put to work in the neighborhood of a brick-yard, where he watched the opera-tion, and in his leisure hours worked out
