

Don't despair because you have a weak Constitution. The Vitamins principle embodied in Dr. Walker's *Vigor Bitters* will assuredly strengthen it. In every drop of that combination of vegetable curatives, there is a stimulating, a regenerating, a regulating power, regulated in the whole range of proprietary and official remedies. It is to the inert phlegm which steam and oil are to the locomotive engine. Yet it contains no fiery excitant, nothing but the juices of rare medicinal herbs and roots, intended by the Great Physician for the healing of all Nations.

DR. SAGE'S CATARRH REMEDY

I do not wish to inform you, reader, that Dr. Wonderful, or any other man, has discovered a remedy that cures Consumption, when the lungs are nearly half consumed, in about a week. It will cure all diseases whether of mind, body or estate, make men live forever, and leave death to play for want of work, and is designed to make our sublunary sphere a blissful Paradise, to which Heaven itself shall be but a side show. You have heard enough of that kind of humbuggery. But when I tell you that Dr. Sage's Catarrh Remedy will positively cure the worst cases of Catarrh in the Head, I only assert that which thousands can testify. Beware of any \$500 Reward for a case that I cannot cure. A pamphlet giving symptoms and other information sent free to any address. This remedy is
SOLD BY MOST DRUGGISTS IN ALL PARTS OF THE WORLD.
 Price 50 cents. Sent by mail, postpaid, on receipt of sixty cents, or four packages for two dollars. Beware of cheap imitations, and see that the name and address, and the words "U. S. Certificate of Genuine," engraved upon it, and need not be mistaken. Don't be swayed by travelers and others representing themselves as Dr. Sage! I am the only man now living that has the knowledge and right to manufacture the Genuine Dr. Sage's Catarrh Remedy, and I never travel to sell this medicine.

ALBANY ADVERTISEMENTS.
WORK SUSPENDED ON THE SANTIAM DITCH!
AT A MEETING HELD BY THE STOCK-
 holders and members of the Santiam Ditch Company, it was resolved by the Company that, before investing all our fortunes in so hazardous a speculation, we recommend to each and every one of the members of the Society to secure for their families a BUCKEYE SEWING MACHINE, so that in case of a failure in the Ditch arrangement their families would have some means by which to gain livelihood.
Eight Reasons why the Buckeye Sewing Machine is Superior to all Others:
 1. It is the simplest shuttle machine made.
 2. It has less wearing parts.
 3. It has no small springs and compound cranks.
 4. It is better adapted to a large range of work, without change.
 5. It has less pieces of machinery.
 6. It is less liable to break needles than any other machine.
 7. The Shuttle will wear longer than the shuttle in any other machine.
 8. That it has the best Feeding device, which will never wear out, get out of order, break needles, feed unevenly, slip on starched goods, or pucker the seams, so that one part of the fabric will come out shorter than the other, which all other feeds are liable to do. It makes every stitch of an equal length. It is stronger than any other feed. We can take a strong piece of cloth and put one end in our machine, and the other in any other machine, and guarantee that our machine will take the cloth from the other, in consequence of the superior strength of its feed.
 9. It is the only feed strong enough to feed thick sole-leather, sewing on shoe soles. No soaping the cloth or any other aid is required.
 10. It has no complicated machinery, and therefore is not liable to get out of order. It has a beautiful movement, making nearly two thousand stitches per minute.
 The BUCKEYE SEWING MACHINE makes the lock stitch, the same as the Howe, Wilson, Singer and Fishers make on both sides. We offer a premium of ONE HUNDRED DOLLARS for any machine on this coast that will make a stronger or more elastic stitch than the BUCKEYE. For full particulars address
