THE FARM KNOWN AS "FARMOUNT Lake" is offered for sale at $16,000 in coin—$4,000 in hand, and the remainder in six equal annual payments, with interest from date. The tract is in good shape, being nearly a square, containing about 660 acres of rich soil; and is diversified with forests vast, fair lawns, lordly oaks, and willows sitting by the lake, the woodland and prairie so alternating as to make it one of the most attractive places in the State. It is situated on the west side of the Willamette river, within half a mile of Albany, which is known as being in the heart of the best agricultural portion of Oregon. The location is healthful. It has a good stone quarry, about 100 acres under fence, a two-story frame barn with shedding 90 feet square; a large and handsome new house two-stories high, thoroughly painted inside and out, the large cupboards and book-cases being fixtures, and the house having under its whole length a good dry cellar. In addition to the above there is a neat workhouse, a wood-house and all other necessary outhouses. There is a meadow, large pasture, orchards, garden, &c., &c. It is susceptible of being divided into four farms, all of them having good soil, fuel and rail timber, and three of them having stock-water.
