WILLIAMSON & CO.
SHEEP WASH.

WE TAKE PLEASURE IN DIRECTING
the attention of the public to the
"Glycerine Dip."

which is unquestionably the most efficacious
Sheep Wash now in use.

It is non-poisonous, does not discolor the wool,
and is perfectly safe for the sheep and the
owner.

It can be used with perfect safety at any season
of the year, and has been found in practice,
invaluable for the following purposes:

1st. For curing scab, killing scab lice, ticks,
and other parasites which infest the skin of sheep.
2d. For strengthening and adding lustre to the wool.

3d. For dipping lambs, even while suckling
ewes, as they are not injured by the material.

4th. For dipping Rams at any time of the year
without danger of producing the excoeciation
which usually follows the use of other dips,
especially in the autumn season.

5th. For the cure of mange in horses and dogs.

6th. For the destruction of lice and vermin in
clothing.

Full directions for use accompany each package.

It has been used in California with the most
satisfactory results, in verification of which we
beg to refer to numerous certificates from well-
known growers.

Wool growers should not fail to try this invaluable
preparation, which we have every confidence
in recommending as our own merits.

For sale by Messrs. CHURCH & WISE, San
Francisco, California.

Prepared by BRANCH & MONTETH,
Albany, Oregon.

Every day brings strong proof of the great value
of this
LUNG BALSAM.

Dr. J. N. HARRIS, Dentist, Office No. 132 West
Sixth street, states as follows:

Messrs. J. N. HARRIS & CO.—Gent: About
one year ago I took a cold which settled on my
lungs. A violent cough was the consequence,
which increased with severity. I expected a
large quantity of phlegm and mucus. During
the last winter I became so much reduced that I
was confined to my bed. The disease was attend-
ed with cold chills and night-sweats. A diarrhea
set in. My friends thought I was in the last
stages of consumption, and could not possibly get
well. I was recommended to try

Allen's Lung Balsam
The formula was given to me, which induced me
to give it a trial, and I will only add that my
cough is entirely cured, and I am now able to at-
tend to my business as usual. Yours respectfully,
J. N. MEREDITH.

All afflicted with Cough or any Throat or Lung
trouble should use Allen's Lung Balsam without
delay. J. N. HARRIS & CO., Sole Proprietors,

medicine, and desire "Allen's Lung Balsam." Do not
allow unprincipled dealers to stand in their way.

LOCAL AFFAIRS.

PARAGRAPHS.—The heated term set in again on
Thursday up to that time, for more than a
week, the weather had been cool and cloudy.
Willamette Valley Wagon Road stock is still
on the rise.

More fine, lighted boots, gaiters and
things at Dow & Craus' than you ever shook a
\$20 piece at.

Major Magone, by direction of the Superintendent
of Indian Affairs, came up on the cars Tues-
day evening, to look after the welfare of the In-
dians hereabouts. He will remove all of them,
we are glad to say, to the reservations.

We were visited by a sharp thunder storm Sat-
urday night.

A perfect torrent of rain fell in the vicinity of
Halsey on Thursday afternoon of last week.

Al. Wheeler, Esq., of Brownsville, called on us
Monday. Al. is one of the most enterprising, lib-
eral business men in Oregon.

Judge Humason, of Portland, was in this city
the first of the week.

Judge Odense, of Corvallis, Treasurer Fleischer,
of Salem, and other notables, were in sight
during the week. They wore store clothes and
looked very well.

The wooden gutter or sewer along the west side
of Ferry street has rotted, and for all the good it
does might just as well be removed. Some new
and more efficient plan of drainage will have to
be adopted by the city soon.

Last Saturday friend Brenner, of the St. Charles,
sent us a nice specimen of frosted fruit cake—a
specimen of the grub they have at first-class
hotels.

Geo. Himes, of Himes & Bachelder, job
printers of Portland, P. Williamson, of the Cen-
tral School, of that city, gave us a sight at their
countenances on Saturday. They had been up
the valley, and were delighted with the evidences
of advancement to be seen on every hand.

On Sunday a trio of individuals got on a tri-
angular spree, fought among themselves, raced
through the streets, pretty well using up a buggy;
were caught, judged and fined, and two of them
being just out of money, were compelled to de-
posit their wages until they can make a raise.

They helped the city to the amount of about twen-
ty-eight dollars. Such conduct, we are pleased
to say, is unusual in this city.

G. W. Zimmerman and S. Booth have a con-
tract for sawing eighty miles of ties for the O. &
C. R. R. Their sawmill is near Harrisburg.

George Young has started a "Delivery Wagon"
for the benefit of the general public.
