The Albany Register.

U. S. Official Paper for Oregon. SATURDAY, AUGUST 12, 1871

Wheat is quoted at sixty cents per bushel in Walla Walla, W. T., at which price farmers decline to "swap."

Hon. John S. Watts, of Santa Fe, is ship of New Mexico.

Mr. Geo. W. Snyder, recently from publication of the Salem Statesman.

It is stated that very few of the Umatilla Indians are willing to give up their homes on the Reservation. All the better class wish to remain.

Returns from the recent election in Kentucky indicate Republican gains. The Democratic majority in the State is estimated at from 20,000 to \$0,000, a falling off from the Seymore vote of 26,-000 to 36,000, and 40,000 to 50,000 from the last Gubernatorial election.

The Presidential election in Liberia May 2d, apparently resulted in the election of Roberts and Gardner as President and Vice President, but President Roy maintains that he was elected for four years and that his term has not expired. man who is fool enough to suppose that He may therefore dispute the validity of if our attacks could have been stopped their election

Gov. Ballard found "color" in the oil line the other day while running a tunto this belief. nel into the coal mine recently discovered near Lebanon. The oil trickles through the bank and settles on top of that these accounts are public property, the water. We are in hopes they may find a rich and paying oil deposit and that Linn will soon be enabled to furnish her own kerosene

According to the N. Y. Eccaing Mail, Irish immigration has been greatly decreased, while the immigration from Germany has largely and notably increased. This class of thoroughly honest and industrious people is just what we want, and the larger the number the better. Let 'em come and that quickly.

There is a story current in the East that Jeff. Davis recently occupied a berth on a sleeping car conjointly with a beautiful and fascinating young married lady day published the records of a series -a special friend, of course - which is of warrants drawn in favor of different creating quite a hubbub in certain circles. persons, but all indorsed by "Ingersoll & The whole story hangs on a question of veracity between Davis and the conduc- ner of Tweed's, and a well known agent tor of the sleeping car, who declares that of the Ring. What did these accounts he slyly peeped between the curtains, and show ? there they were, while Jeff. denies this allegation

FAST RAILROADING .- The Philadelphia Press of July 25th says:

The schedule time of the fast line east upon the Pennsylvania Railroad, from Altoona to Harrisburg, is three hours and forty minutes. On the 19th, the under Conductor Edward M. Chase, left Altoona fixed upon (apparently at hap hazard) were Sundays. Here is the account of twenty-three minutes late, and was detained twenty-eight minutes at Huntingdon and Mifflin, by hot boxes, thus losing fifty-one minutes of schedule time. The locomotive being in charge of En-gineer S. Free, brought the train safely ing fifty-one minutes of schedule time.
 The locomotive being in charge of Engineer S. Free, brought the train safely to Harrisburg, only one minute late, having made up fifty minutes on schedule time, and making the extraordinary rum of 132 miles in two hours and fifty minutes, or at the rate of a mile in each one minute and seventeen seconds.
 A correspondent in Grant county sends this:

The weather in this section has been The weather in this section has been very warm and consequently the water in the mining ditches is rapidly drying up. The crops are going to be abundant and of excellent quality. Mr. James Small has shipped seven thousand pounds of wool to the Dalles to be sold. Beef I has shipped seven thousand pounds I has shipped seven thousand pounds of to the Dalles to be sold. Beef are fat and worth from forty to dollars a head. The mines this dollars a head. The mines this tie are fat and worth from forty to year have turned out about us usual; the shipments of gold dust per week

HOW TO CURE IT. At the commencement of the diarrhea, which always precedes an attack of the Cholers, take a tenspoonful of the Pair Killer is ugar and wa-stomech and bowels with the Pain Killer clear. Should the diarrhea or cramps continue, repert the dose every ten or fifteen minutes until the pa-tient is reliaved. Is extreme cases two or more teaspoonfuls may be given at a dose. The Pain Killer, as an internal remedy, has no equal: In esses of Cholers, Summer Complaints, Dyapensia, Dysentery, Asthma, it cures in one night, by taking it futternally and bathing with it freely. Resaction is like magic when externally applied to old sore: burns, sealds, and spistus. For sick hendache and toothache den 't fail torty, Rei The short, it is a *Pain Killer*.
