### A Great Bargain.

THE FARM KNOWN AS "FARMOUNT Lake" is offered for sale at \$10,000 in coin— \$1,000 in hand, and the remainder in six equal annual payments, with interest from date. The tract is in good shape, being nearly a square, con-taining about 660 acres of rich soil; and is diversified with forests vast, fair lawns, lordly onks, and willows sitting by the lake, the woodland and prairie so alternating as to make it one of the most attractive places in the State. It is situated on the west side of the Willamette river, within on the west side of the Willamette river, within half a mile of Albany, which is known as being in the heart of the best agricultural portion of Oregon. The location is healthful. It has a good stone quarry, about 100 acres under fence, a two-story frame barn with shedding 90 feet square; a large and handsome new house two-stories high, thoroughly painted inside and out, the large cupboards and book-cases being fixtures, and the house having under its whole length a good dry oellar. In addition to these there is a neat well-house, a wood-house and all other necessary outhouse, a wood-house and all other necessary out-houses. There is a meadow, large pasture, or-chards, garden, &c., &c. It is susceptible of be-ing divided into four farms, all of them having good soil, fuel and rail timber, and three of them

pood soil, fuel and rail times, having stock-water.

Sheep Wash.

WE TAKE PLEASURE IN DIRECTING the attention of the public to the "Glycerine Dip,"

which is unquestionably the most Efficacious Sheep Wash now in use.

It is non-poisonous, does not discolor the wool, deadly to all parasites infesting the skin of Sheep deadly to all parasites infesting the skin of Sheep and other animals, and warranted free from arsenic, mercury, mineral, and other poisons. An infallible Cure f r the Scab, perfectly harmless to sheep, and greatly improves the wool. It is also free from any of those caustic properties found in many other compounds, which render the wool dry and harsh, and are detrimental, not only to its growth and weight, but also to its marketable value.

It can be used with perfect safety at any season of the year, and has been found in practice, invaluable for the following purposes:

1st. For curing seah, killing acuri, ticks, and other parasites which infest the skin of sheep.

2d. For strengthening and adding lustre to the wool.

wool.

3d. For dipping Lambs, even while sucking cwee, as they cannot be injured by the material.

4th. For dipping Rams at any time of the year Without danger of producing the exceptation which mostly follows the use of other dips, especially in the autumn sension.

5th. For the cure of mange in horses and dogs. 6th. For the destruction of lice and vermin in cattle.

Full directions for use accompany each package.

It has been used in California with the most satisfactory results, in verification of which we hag to refer to numerous certificates from well-known continuous. Wool growers should not fail to try this invaluable preparation, which we have every confidence in recommending on its own merita.
