SEWING MACHINES.

To the People of Linn Co. WE WOULD RESPECTFULLY SAY that we have opened an office in Al-bany, for the exclusive sale of

SEWING MACHINES,

And would respectfully invite all those wanting a first-class muchine to call at our office and examine the different kinds of machines now on exhibition. If you want a Buckeye machine, if you want a Florence machine, if you want a Wheeler & Wilson machine, if you want a Singer machine, if you want an American machine, or if you want to exchange machines, or if you want your machine put in good running order call and see us. We are always ready and willing to show our machines. We will do our best to give satisfaction. Oil and needles kent constantly on hand for sale. Old machines taken in exchange for sale. Old machines taken in exchange

for new ones.

We wish to employ good, reliable agents to sell the Buckeye Sewing Machine, the best selling, the simplest and most durable shuttle machine on this coast. Liberal inducements offered. For particulars address,

MINER & PEARSON.

Eight reasons why the Buckeye S wing Ma-chine is sup vior to all others: t. It is the simplest shuttle machine

nuade.

2. It has less wearing parts.

3. It has no small springs or compound

cranks.
4. It is better adapted to a large range of

work without change.
5. It has less pieces of machinery.
6. It is less liable to break needles than any other machine.
7. The shuttle will wear longer than the

7. The shuttle will wear longer than the shuttle in any other machine.

8. That it has the best feeding device, which will never wear out, get out of order, break needles, feed unevenly, slip on starched goods, or pucker the scam so that one part of the fabric will come out shorter than the other, which all other feeds are liable to do. It makes every stitch of an equal length. It is stronger than other feeds. We can take a strong piece of cloth, and put one end in our machine and the other end in any other machine, and guarantee that our machine will take the cloth from the other, in consequence of the superior strength of the feed.

It is the only feed strong enough to feed thick sole leather, sewing on shoe soles. No soaping the cloth or any other aid is required.

No soaping the cloth or any other aid is required.

It has no complicated machinery, and therefore is not liable to get out of order. It has a beautiful movement, making nearly two thousand stitches per minute.

The Buckeye Sewing Machine makes the lock stitch, the same as the Howe, Wilson, Singer, and Florence, alike on both sides. We offer a premium of one hundred dollars for any machine on this coast that will make a stronger or more elastic stitch than the Buckeye. For full particulars address, MINER & PEARSON, Gen. Agents, Albany, Oregon.

USE THE BEST REMEDY.

Every day brings strong proof of the great

Lung Balsam.

Dr. P. Meredith, Dentist, office No. 132 West Sixth street, states as follows:

Cincinnati, Octob r 1, 1869.

MESSES, J. N. HARRIS & C., Gents: About one year ago I took a cold, which settled on my lungs. A violent cough was the consequence, which increased in severity. I expectorated large quantities of phlegmand matter. During the last winter I became so much reduced that I was confined to my bed. The disease was at-tended with cold chills and night sweats. A diarrhea set in. My friends thought I was in the last stages of consumption, and could not possibly get weil. I was recom-mended to try

Allen's Lung Balsam. The formula was given to me, which induced me to give it a trial; and I will only add that my cough is entirely cared, and I am now able to attend to my business as

P. MERELITH. All afflicted with cough, or any throat or lung trouble, should use Allen's Lung Bal-sun without delay. J. N. Harris & Co. sole proprietors, Cincinnati, Ohio.

CAUTION! Do not be deceived, you who want a good medicine, and desire "Allen's Lang Bal-sam." Do not allow unprinciple t dealers to sell you a preparation called Allen's Pec-toral Balsam. See that you get ALLEN'S LUNG BALSAM, and you will have the best cough remedy offered to the public, and one that will give you satisfaction. For

WANTED.-A trustworthy, industrious

boy, who can read and write, can find employment at this office, if application be made soon.

Complimentary. ED. REGISTER :- You ask : "What do you think of the REGISTER since it has been enlarged?" The REG-ISTER is really a paper of great superiority: its ways are not past finding out. I enclose three dollars for the REGISTER. Every family in Oregon ought to have it-it is well

worth the money.

JAMES FINLAYSON: When we know that we are endorsed, and have the full and free commendation of such men as Mr. Finlayson, we feel encouraged to renewed industry to make the REGISTER still. more worthy of the patronage of our

LECTURE ON SWAMP LANDS .- On Monday evening at the Court House in this city, Hon. Samuel Colver, of Jackson county, delivered a most interesting lecture on the Swamp Land Bill of Oregon, painting with master hand the outrageous fraud perpetrated upon the people of Oregon in the passage of that bill. A petition, setting forth the grievances of actual settlers on the public lands, and praying Congress to so legislate that the rightful occupants of small tracts of land shall not be dispossessed by those seeking to acquire large tracts of the public domain for merely speculative purposes, was circulated, and largely signed by those present. Copies of the petition have been left at this office, where they can be obtained by any one wishing to circulate them for signatures.

WOOD'S HOUSEHOLD MAGAZINE .-"Onward, right onward" seems to be the aim of the publishers. We thought it impossible to excel the September number, but October, with its list of famous contributors and its valuable reading, is a perfect gem, and we cannot understand how so much real worth and merit, from such popular writers ilton, etc., etc., can be furnished for as Greeley, Parton, Beecher, Gail Hamonly ONE DOLLAR a year. The Magazine is steadily increasing in public favor, and we predict for it a brilliant future, for people are not slow in bestowing their patronage where they can obtain the most for their money. Specimen copies furnished free. Published by S. S. Wood & Co., Newburg, N. Y. For \$3 50 we will send a copy of the above excellent magazine, and one copy of the BEGISTER one year. Here is an opportunity for securing two first class publications at less than the regular subscription

EDITORIAL CALL.-Thos. Gale, Esq., of the Roseburg Ensign, so recently destroyed by fire, called on us Wednesday. He is rapidly recovering from the wound received in the late affair with Mr. Thompson, of the Plaindealer, and will resume, in connection with his brother, the publication of the Ensign, as soon as their material arrives. They will start out with 1,000 subscribers. Success and prosperity attend them.

DENTAL .- See card of Dr. E. O. Smith eleswhere. The Doctor and his assistant, Mr. I. Kimball, will attend to the wants of our citizens in the dental line, introducing the new invention in dentistry, which does away with the cumbersome plate, that, in the old style, fills the whole roof of the mouth. They are to be found in their office over Turrell's store, corner of First and Broadalbin streets.

MAPLE SUGAR .- Messrs., Blain, Young & Co., have received, direct from the East, a quantity of genuine maple sugar. It makes the finest syrup for rolling flap-jacks in, ever invented. For a chunk of the sugar we are under obligations to Mr. Barrows, one of the whole-souled gentlemen composing the firm. Get some of that sugar before it is all gone if you want something really splended.

LOST-FOR RENT.-Luther Elkin's, Esq., gives notice through our columns this morning that he will liberally reward the person who will find and return to him a valuable cow therein described. He has a good residence in Lebanon, and a small farm near there, both of which are for rent. Read the advertisement.

NICE DRESS GOODS-Just opened at Turrell's, which the ladies should see. Another large invoice of new Fall and Winter styles expected today, and which will be opened for public inspection as soon as received. Call in at Turrell's and examine.
